# Events and Reunions

## OWA Past Presidents' Dinner

The Head Master and 2011 OWA President Clive Mather were joined by twelve Past Presidents of the OWA and guests for a special dinner at Oriel College, Oxford, on 8 February. Pre-dinner drinks were served in the Benefactors' Room and dinner was served in the Champney's Room.

In his toast to the school, Clive said he felt privileged to be among so many former presidents who had each brought their own unique style and character to the OWA and who were united in their support for the school and the Association. He gave particular thanks to Peter Bailey for organising the dinner and for arranging a special lapel badge for each president.

L-r OWA Presidents Robert Holl-Allen (1990), John Cavanagh (2009), Clive Mather (2011), Jonathan Meredith (2010), David Phillips (2003), David Stevens (2008), Roy Dixon (2005), Mike Stephens (1992), Ian Thorpe (1997), Tom Bellamy (1999), Peter Bailey (1998), Don Hanson (1996), Tom Flynn (2004) and the Head Master.

Guests gather for dinner in the Champney's Room.

## Floreat Society Luncheon

A number of OWs who have supported the school's legacy campaign or who have kindly made a provision for the school in their will, were invited to lunch with the Head Master on 24 March.

The school is enormously grateful to OWs for all their support. If you would like to discuss leaving a legacy to the school, please contact, in confidence, Phillip Rothwell, Development Director, on 01926 776402, E-mail: pjr@warwickschool.org.

## Reunion at the Ashes

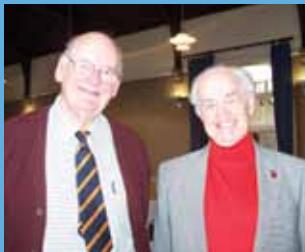

Richard Skan (WS 1981-88) and Julian Ball (WS 1978-86) enjoyed a reunion during the final Ashes tour, while Richard was on holiday in Australia with his son Tom (now also at Warwick School).

L-r Julian Ball, Richard and Tom Skan on day four of the final Ashes Test at Sydney Cricket Ground.

## OW Coffee Morning

Over sixty OWs and their wives, partners and friends enjoyed an informal coffee morning at school on 26 February. We were delighted to welcome a number of OWs who hadn't been back to school for many years. They included David Fox (WS 1939-47) who met Tom Bellamy (WS 1941-47). David and Tom discovered, to their mutual surprise, that they were in the same Third Form in 1941! The Portcullis Room was also open for those who wished to have a look round the school museum.

L-r David Fox and Tom Bellamy.

L-r Anthony Gibbs, John Randall and Peter Davy.

The next OW Coffee Morning takes place on Saturday 25 June in the Pyne Room at school from 10.30am to 12 noon. OWs, wives, partners and friends are all welcome. No need to book, just turn up.

## Joe's sister pays tribute at his memorial in Afghanistan

Kate Whittaker, sister of Joe (WS 1999-05), has visited his memorial in Helmand for the first time during a tour with the Band of the Parachute Regiment. Joe, who was attached to the 2nd Battalion the Parachute Regiment, was killed in action in Afghanistan in 2008.

Musician Kate proudly wore her brother's maroon beret when she visited his memorial in January as part of a whirlwind tour with the Band of the Parachute Regiment.

Kate had auditioned for the Army School of Music three weeks before Joe died. She said: "Joe had wished me well for the audition, he was so chuffed I was following him into the Army, he would have hated for me not to join up because of what happened to him."

The idea to see the memorial was suggested by Major Sherrington, who was Joe's Commanding Officer at the time of his death. Kate said: "It finally brings all the pieces together for me. It felt weird as I knew my mum would be lighting a candle where Joe's ashes are buried at St Andrew's Church in Stratford, at the same time as I was at his cross in Helmand. It's amazing to see that Joe's cross is still there and not forgotten about."

## Marathon Men

Good luck to all OWs running in the 2011 London Marathon on 17 April.

By the time of the London Marathon in 2010, David Phillips (WS 1955-61) had raised £46,000 for various charities. His aim is to reach £50,000 in Olympic year 2012, in London, running his 400th full marathon. Just £6,000 and nine marathons to go! In the 2011 London Marathon David will once again be running with the Brain and Spine Foundation Charity and The Daily Telegraph team. Please support David at [www.justgiving.com/David-Phillips3](http://www.justgiving.com/David-Phillips3).

Anthony (WS 1993-04) and Alistair Wilkinson (WS 1995-06) will be running the London Marathon as part of the MS Society Superstars team. By February the brothers had raised over £2,600 – more than 50% of their target. Training has been going pretty well with Alistair enjoying some training in the heat and humidity of India. Follow his entertaining blogs at <http://wilkosuperstars.wordpress.com/> and support the brothers at [www.justgiving.com/WilkoSuperstars](http://www.justgiving.com/WilkoSuperstars).

Phillip Rothwell (WS 1994-01), Warwick School's new development director, is also running in the Marathon. Phillip is running for One World Action. Please support him at [www.justgiving.com/phirothwell](http://www.justgiving.com/phirothwell).

## Gnomeo and Juliet

Steve Hamilton Shaw (WS 1981-92) is one of the producers behind the new UK animated film 'Gnomeo and Juliet' – a re-imagined version of *Romeo and Juliet* featuring garden gnomes.

The idea to create the film was born ten years ago when Steve joined Rocket Pictures, founded by David Furnish in 1997 with backing from Disney. The film is set to Elton John's music and features an all-star cast which includes Patrick Stewart, Richard Wilson, Julie Walters, James McAvoy, Emily Blunt and Michael Caine.

## Operatic news

Stephen Phillips (WS 1957-65) leaves the State Opera of South Australia in June having completed twenty two years with the company, of which sixteen have been as General Director. Stephen's innovative programming of traditional and non-traditional operas has balanced exciting new works like *Dead Man Walking*. His 2004 production of Wagner's *Ring Cycle* cemented the position of State Opera of SA as a significant cultural force nationally and internationally. Stephen says "After I've finished here in Adelaide in late June, I hope to be able to return home to secure a leading performing arts administration position somewhere in the UK. If that eventuates I will certainly make sure I create and program a future OW community operatic event!"

## Dixon dominates in National Tournament

Freddie Dixon (WS 1996-07) has become the Real Tennis Aspect Open Champion for 2011 after winning an exciting final at the Leamington Tennis Court Club. The real tennis handicap competition is open to all-comers and is the largest of its kind in the UK. This year saw an intake of fifty six players competing for the coveted trophy over four tense days of competition. Having won all of his group matches, Freddie reached the final with three strong performances in the knockouts and, although 3-4 down in the final, he came back to take the title 5-4.

## OWs secure a double

Richard Starkey (WS 1955-62) followed Freddie Dixon's success at the Leamington Tennis Court Club by winning the club's over 60 doubles handicap. Starkey was partnered by Olaf Dixon, father to Freddie. The win completed an unprecedented family double for the Dixon family.

# News from the High Sheriff

The Hon. Sir David Foskett QC and Nigel Brown OBE.

Nigel Brown OBE (WS 1957-64) writes:  
“The highlight of my year as High Sheriff of Cambridgeshire might have been the OW Dinner at Girton College... but was actually my High Sheriff’s Justice Service which I held in Great St Mary’s Church in the middle of Cambridge on 3 October 2010.

A mighty procession, 123 people strong, including most of the county’s mayors, two bishops and attendant clergy, the University proctors, other ‘adjacent’ High Sheriffs, the Lord Lieutenant, seventeen judges plus barristers, magistrates and other court officials – formed a column in Trinity Great Court and processed down to the church. A pageant indeed, and all recorded by countless tourist cameras no doubt unaware of what they were capturing! Top judge was OW The Hon. Sir David Foskett QC (WS 1956-67) – hence the cheerful picture!

## Magic Boy meets The Hoff

Ben ‘Magic Boy’ Hanlin (WS 1999-04) has been on another adventure to track down a celebrity and perform a trick to them. The target was David Hasselhoff. Watch the clip on YouTube (MagicBoyTV) or see [www.benhanlin.com](http://www.benhanlin.com).

## Stuart Goldsmith

Comedian, actor and warm-up artist Stuart Goldsmith (WS 1985-93) returned to Stratford College earlier this year to put on his debut solo stand-up show, ‘The Reasonable Man’. Stuart studied A level drama at the college in the mid 1990s. As a stand-up comic, Stuart has supported Mark Watson on tour and warmed up TV studio audiences for Miranda, The IT Crowd and Loose Women.

For more information on Stuart visit [www.stuartgoldsmith.co.uk](http://www.stuartgoldsmith.co.uk).

## England Students’ Rugby Cap

Sam Miller (WS 2002 - 09), a first year student at Bath University studying Politics with International Relations, has been selected to play for England Students as part of a three-match series. The team’s first match at Richmond Rugby Club resulted in a 25-23 win over France Universities with Sam scoring one of the three first half tries. However, the team faced a difficult test against Portugal’s national side, who currently rank 20th in the IRB world rankings, finally going down 29-25. A return fixture against France Universities takes place in Versailles on 26 March.

## McGuire at the Globe

Congratulations to Josh McGuire (WS 1999-06) who has won the lead role in *Hamlet* at Shakespeare’s Globe this summer. Josh stars with a handful of players in performing a raw and thrillingly elemental production. *Hamlet* plays at The Globe and at a variety of venues on a small scale tour of the UK and Europe. See [www.shakespeares-globe.org](http://www.shakespeares-globe.org) for tour dates and venues.

## A challenge for Chan

As we go to press Matthew Chan’s team from Magdalen College, Oxford, is battling it out in the semi-finals of University Challenge. Congratulations and good luck Matthew!

## Top Dog

Congratulations to Peter Jinman (WS 1958-69) who became President of the Royal College of Veterinary Surgeons in July 2010.

Peter graduated from the Royal Veterinary College, London, in 1974 and has worked in general practice all his life, initially in Broadway, Worcestershire, and then in Herefordshire, where he has recently retired as senior partner of a four-person practice.

Peter has always been an active member of local and national representative bodies of the veterinary profession, most notably being elected President of the British Veterinary Association in 2002. He has served on various governmental consultative committees, dealing with matters of animal health and welfare and human health and has been Chairman of the BVA Ethics and Welfare Group from 2006.

Peter was awarded the OBE in the Queen’s Birthday Honours list of 2004 for services to the veterinary profession.

## School House Group 1953

Fifteen OWs from the 1953 (ish!) School House Group enjoyed their tenth annual dinner on 4 March. It was lovely to welcome three OWs for the first time to the dinner. Two of the group (David Carmichael and Peter Groom) have passed away this last year and were sadly missed.

L-r A Penn, J Gridley, R Thornton and I Branton.

Twelve Warwick School students have been offered places at Oxford and Cambridge Universities. The students are set to study their chosen subjects which include Engineering, Philosophy, Classics, Medicine and Natural Sciences.

Good luck to these and all our boys taking A levels this summer.

## Rare 1920 School Photo

L-r The Head Master, Ray O'Brien and School Archivist Gervald Frykman.

A rare original of the first ever whole school photo, taken in 1920, has been found. The 1920 photo was discovered, with a 1953 school photo, by Mr Ray O'Brien when sorting out his late father's belongings. Neither gentlemen have any connection with the school and so it is a mystery why they were kept by Mr O'Brien senior. Ray travelled down from Liverpool to kindly donate the photographs to the school.

## An audience with Pope Benedict XVI

In February half term the Warwick School Choir visited Rome for the experience of a lifetime. Highlights of the trip included singing High Mass in St. Peter's Basilica. On 23 February, at the Papal Audience, the choir sang Mozart's *Dona Nobis Pacem*. The trip was a fantastic success and one that will be remembered for a long time to come.

# OW Sport

## OW Rugby

Old Warwickians will take on Old Silhillians at Warwick School on Sat 24 Sept at 12.00. Last year's match was played in great spirit with some great tries, scrums and tackles. This year's squad will be strengthened by the return of five OWs who left in 2001 who, to mark their ten year anniversary of leaving school, have set

themselves the personal challenge of playing with the OW team. All supporters are very welcome.

If you would like to play OW rugby, contact Freddie Dixon (ecrd201@exeter.ac.uk).

## OW Cricket

### The Cricketer Trophy

With the demise of the Cricket World Trophy and The Brewers Cup, the committee of The Cricketer Cup felt a need for more schools to be able to play under Cricketer Cup conditions. Warwick School is one of eight schools invited to set up their own competition to start this summer. This will be an independent competition for three years, after which discussions will be held about the possibilities of incorporating the competition into The Cricketer Cup.

The first round is scheduled to take place on Sunday 17 July. Old Warwickians will play Old Georgians. Good luck lads!

### OW 1st XI vs. School

The annual OWs vs. School cricket match is scheduled to take place at 11.30 on Saturday 2 July.

This match is provisionally scheduled to take place at Warwick School on Sunday 26 June at 14.00.

## Real Tennis Club Launch

We're delighted to announce the launch of the "OW and Friends Real Tennis Club". The formation of this Club mirrors the successful launch of the school's Real Tennis Club two years ago, which has resulted in a groundswell of popularity for the game amongst current pupils. It is anticipated that the OW and Friends Club will encourage OW players to continue playing after their school career. The new Club will put out a team to take on the school as well as possibly compete against other alumni based teams. The inaugural social and sporting event is proposed for the first weekend of September at Leamington Tennis club. We will be hosting a handicap tournament, accompanied by a two course lunch.

For all those wishing to join and for any further information please contact Dr Beverleigh Twohig-Howell (Chemistry and Biology) at bth@warwickschool.org.

## OW Golf

Good luck to our OW golfers who play in the Grafton Morrish qualifer at Olton on 14 May.

The cost will be £70 for 36 holes and £60 for 18 holes. This includes lunch, 3 course dinner, green fees and prizes. Five days notice will be required for final numbers. Anyone wishing to play should contact Julian Marcus, E-mail: arkvets@hotmail.com.
