

The Old Warwickian

LENT 2011

We look forward to some exciting events and reunions for Old Warwickians in 2011. From the President's Dinner at Lensbury to the 1980s Reunion back at school, there is much to enjoy.

Lensbury.

Book now for the OWA President's Dinner 2011

OWA President 2011 Clive Mather invites all Old Warwickians, wives, partners and friends to join him on Saturday 14 May at Lensbury for the 2011 OWA President's Dinner.

Lensbury is a fantastic dinner and weekend venue. It is superbly located in 25 acres of beautiful grounds and gardens, on the banks of the River Thames at Teddington Lock. As a sports and leisure club, it offers extensive accommodation, sports and spa facilities for a great Old Warwickian weekend.

Clive Mather has great affection for Lensbury, the former Shell Club. Clive retired from Shell in 2007 after a 38-year career which spanned all its major businesses. Most recently he was President and CEO of Shell Canada and, before that, Chairman of Shell in the UK.

At Lensbury Clive promises:

- fine dining
- a stunning setting
- extensive leisure and relaxation facilities

...and some surprise entertainment.

Dinner tickets - £50

Dinner tickets are very reasonably priced at £50 for a four course dinner with pre-dinner drinks. Dinner wine may be booked, and paid for, during the drinks reception.

The dinner starts at 19.00. Dress code is dinner jacket.

Travel

Organised coach travel to and from Warwick School may be available if there is sufficient demand. Costs are likely to be in the region of £20-£35, depending on numbers.

Stay overnight

Lensbury has 160 bedrooms and is offering Old Warwickians the special Members' rates for accommodation that weekend. En suite accommodation starts from £61 for a standard single and £84 for a standard double or twin room. Prices are per room per night and are inclusive of full English breakfast and free use of most of the leisure facilities. Please book your accommodation directly with Lensbury. Tel: 020 8614 6402 and quote ref: 17788. www.lensbury.com. Superior and deluxe rooms may also be available – rates available on request from Lensbury.

A message from Nigel Robinson

OWA chairman Nigel Robinson (WS 1955-66) has retired after five years at the helm.

Nigel, who has served on various OW committees since leaving school, was elected chairman of the Portcullis Club in 1980, chairman of the OWA for the first time in 1985 and president in 2001. He was re-elected OWA chairman in 2005 and last year became president of the Warwickian RUFC.

"I had the most wonderful time at school and always wanted to remain associated with both the school and its pupils," said Nigel, who arrived as a seven-year-old boarder in Junior House in 1955 to join his brother Adrian.

"Through the OWA I've met some wonderful people. Our dinners and reunions have taken us to fabulous places not usually accessible to the public. Among the highlights for me must be my president's dinner at RAF Cranwell and Ian Thorpe's president's dinner in the Painted Hall at the Royal Naval College, Greenwich.

Another great thing about the OWA is that it's a global network and I've had the pleasure of meeting up with many old boys in some very far flung places. The OWA has changed considerably over the last year or two, mainly because of the work of the Alumni Relations team – I cannot praise Ed Halse enough for his idea to appoint an alumni officer and for his overall commitment to the OWA.

Although I will no longer be serving on committees, I shall continue to support the OWA in whatever ways I can and wish every success to Anne Douglas in her work, and to this year's chairman Roy Dixon and our new president Clive Mather."

Recent Events

Hong Kong Reunion

L-r Lucas Song, Ryan Wong, Mentor Cheung, Harry Choi, Patrick Fong and Kenneth Wan.

Twenty OWs joined the Head Master for a reception at the Excelsior Hotel in Hong Kong in September. It was great to see so many recent leavers who were in Hong Kong before returning to the UK to begin or continue their university studies.

OW Coffee Morning

Saturday 6 November 2010

Some fifty OWs and their wives, partners and friends enjoyed an informal coffee morning at the school on 6 November. Many OWs, who used to meet regularly at The Portcullis Club, welcomed the opportunity to meet together again.

Another OW coffee morning is planned for Saturday 26 February 2011 from 10.30 to 12.00. This will take place in the Pyne Room at school. All OWs and their wives or partners are warmly invited to pop in for coffee and a catch-up with old friends. The Portcullis Room will also be open for those who wish to look round the school museum.

L-r OWA President 2010 Jonathan Meredith, John Ingram, Mike Smith, Richard Philpott and the Head Master.

OWA Annual Dinner

Saturday 4 December 2010

For eighty OWs who won the battle with snow and severe travel conditions, the 2010 OWA Annual Dinner, in the Pyne Room, was a great evening of good food, wine and fellowship.

OW London Reunion

Tuesday 16 November 2010

The East India Club in St James' Square provided the venue for the 2010 London Reunion.

L-r Jon Begg, Stuart O'Kelly, Edward Holmes, Michael Hallam and Daniel Kitchen.

There was a great turnout from every decade since the 1940s. OWs were warmly welcomed by Head Master Mr Edward Halse. OWA President 2010 Jonathan Meredith thanked the school for hosting the evening.

Please let us know if you have any suggestions for a London reunion venue in 2011. Email ad@warwickschool.org.

L-r David Porter, Sam Murphy, Harry Greenway and Richard Ward.

L-r Anthony Josolyne, Geoff Draper, Peter Duffy, Michael Duffy and John Gridley.

OWA AGM

Saturday 4 December 2010

The OWA AGM took place on 4 December 2010 in the Conference Room at school. OWA President 2010 Jonathan Meredith welcomed everyone to the meeting. Reports were received from the Chairman, Alumni Relations Officer, OW Properties and the Treasurer.

Chairman Nigel Robinson thanked Jonathan Meredith for his superb job as President, the Head Master for his tremendous support of the OWA, the Alumni Relations Officer for her hard work and the committee for their continued support and commitment. He gave particular thanks to Clive Mason, Geoff Thorpe and Richard Thornton for all their work on preparing the new resolution.

The AGM passed the Resolution that the Trustees and Committee of the OWA be empowered and duly authorised to transfer the shares held by OWA in OW Properties Limited and all or such of the capital of the OWA as the Trustees and Committee shall determine to a Trust or Charity to be set up or incorporated the purposes of which shall be restricted to the making of grants to Warwick School for the provision of bursaries to pupils or prospective pupils, and for capital projects.

2011 OWA Committee

President: Clive Mather

Chairman: Roy Dixon

Treasurer: Jonathan Meredith

OWA Trustee/Director of Property Co.: Geoff Thorpe

Head Master: Edward Halse.

Forthcoming Events

1980s Reunion

Saturday 2 July 2011

All Old Warwickians who left Warwick School during the 1980s are warmly invited to this landmark reunion which takes place at school on Saturday 2 July 2011. The reunion will be a very special day for renewing friendships, seeing former teachers, reminiscing about your school days in the 1980s and seeing the superb facilities that Warwick School offers boys today. The 1970s reunion in 2010 was an amazing day and we hope the 1980s event will be just as special.

Plan for the day

- 09.30 Tea and coffee in the Guy Nelson Hall.
- 10.15 Welcome from the Head Master and former masters Martin Green and Brian Emmerson.
- 10.35 Group photograph.
- 11.00 Chapel Service.
- 11.30 Drinks reception followed by lunch.
- 14.00 Tours of the school with prefects.
- 15.30 Afternoon tea.
- 17.00 Day ends.

Dress code is informal and wives and partners are welcome.

Booking Tickets

Book now to avoid disappointment! Numbers will be capped at 300 due to limited Chapel and lunch space. The cost for the day is £15 per person. To book your reunion ticket, simply complete and return the booking form on the back page of this newsletter or book online via www.oldwarwickians.org. Booking deadline: Friday 17 June 2011. Bookings will be accepted on a first come, first served basis.

Evening Arrangements

From previous experience, we expect that many OWs will want to get together informally in the evening in local pubs or restaurants. If you would like to arrange something in advance of the event, a list of those attending will be posted and updated regularly on www.oldwarwickians.org. An online password protected page of contact E-mails will also be available for those who are happy to circulate their E-mail address to other attendees.

Marathon men

Jonathan Lelliott (WS 1989-00) took up the challenge of running the Berlin Marathon, raising £600 for the Army Benevolent Fund. Jonathan, a Captain in the Royal Logistic Corps, has recently returned from his second tour of Afghanistan. He travelled to Berlin with eight soldiers from his unit. Despite torrential rain, all team members enjoyed the marathon experience and Jonathan completed the race in a leisurely time of 3 hours, 56 minutes.

Good luck to all our OWs who are running in the 2011 London Marathon. OWs Anthony and Alistair Wilkinson will be running to fundraise for the MS Society. You can support them at www.justgiving.com/WilkoSuperstars.

Rowing to success

James Lee (WS 1998-05) enjoyed a successful summer as Team Manager for Great Britain at the World University Rowing Championships in Hungary and the European University Rowing Championships in Amsterdam. The teams that James managed came second at the World University Championships and won the European University Championships!

James says "Collecting the trophy on behalf of Great Britain was an extremely proud moment. It is fantastic to think that all of this started with the fact that I rowed one afternoon a week while at Warwick!"

Following this success and having just graduated, James has now taken up a full-time position working for the GB Rowing Team.

World's first stem cell trial for stroke patients

Laurence Dunn.

OW Neurosurgeon Laurence Dunn (WS 1972-77) has injected stem cells into the brain of a British stroke patient in the world's first trial of its kind.

The elderly man was injected with roughly two million neural stem cells at Southern General Hospital in Glasgow. Doctors hope the stem cells will help the man recover from his stroke, by transforming themselves into mature neurons and also stimulating the brain to harness its own recuperative powers. The patient has been discharged and his progress will be monitored over the next two years.

Professor Keith Muir, a neuroscientist from Glasgow University, who is leading the Pilot Investigation of Stem Cells in Stroke (PISCES) study, said: "We are pleased that the first patient in the PISCES trial has undergone surgery successfully. Stroke is a common and serious condition that leaves a large number of people with significant disability. In this trial we are seeking to establish the safety and feasibility of stem cell implantation, which will require careful follow-up of the patients who take part. We hope that in future it will lead on to larger studies to determine the effects of stem cells on the disabilities that result from stroke."

Anthony Hollander, professor of rheumatology and tissue engineering at Bristol University, commented: "This stroke trial is based on good research and careful planning. It's far too early to know if the treatment will be successful but the very fact that the trial is now underway is a milestone for UK stem cell research."

Congratulations

Aidan Hewitt (pictured) (WS 2005-07) has passed out from Sandhurst as an officer in the Territorial Army. Aiden is currently in Edinburgh for the final year of his course in Neuroscience.

Ferdinand Kinglsey (WS 1999-06) took on the role of Rosencrantz in a production of *Hamlet* at The Olivier Theatre. Following its run in London, *Hamlet* will tour to Salford, Nottingham, Woking, Milton Keynes, Plymouth and Luxembourg from February 2011.

Hamish Riddle (WS 2003-10) was cast in a new National Theatre production, *Prince of Denmark*, a play by Michael Lesslie which ran until the end of October 2010.

Josh McGuire (WS 1999-06) has appeared in the web-exclusive *Eastenders: E20* spin-off.

Matthew Chan (WS 1999-07) lead the Magdalen College Oxford team to victory over Durham on University Challenge.

Edward Warrillow (WS 2000-06) is moving to the Netherlands to take up his first job with Royal Dutch Shell.

Cracking Cheese Jon

Having spent twenty years running the European market of an American software company, Jon Goodchild (WS 1973-82) has embarked on a completely new venture by buying The Cotswold Cheese Company in Moreton-in-Marsh.

With little prior knowledge of cheese, Jon and his wife Lisa are quickly learning about cheese-making and absorbing themselves in the new business. The company was also launched online in December: www.cotswoldcheesecompany.co.uk.

Jon and Lisa Goodchild and solicitor Nick Watts.

A little bit of magic

To celebrate the release of the new Harry Potter film, Ben Hanlin (WS 1999-04) was invited on ITV's Daybreak in November to perform some magic with Adrian Chiles and Christine Bleakley. Recently, Ben has also performed to comedian, Michael McIntyre and presenter Fearnie Cotton.

Ben is one of the youngest members of The Magic Circle and is also the first magician on Britain's Got Talent to receive three 'Yes' votes from the judges. Follow Ben on Facebook, Twitter (@benhanlin) and YouTube (MagicBoyTV) or see www.benhanlin.com.

Bacchus 40th Anniversary

On Saturday 16 July 2011 1970s Warwick School band Bacchus will be celebrating their 40th Anniversary at Cox's Yard in Stratford-upon-Avon. Happy anniversary! For more details contact Rob Wilson: rmw@unisonprojects.co.uk.

Childhood eye cancer success

Ashwin Reddy (WS 1982-87) is a Consultant Paediatric Ophthalmologist and Retinoblastoma Surgeon at Barts and the London and Moorfield Eye Hospital. Stories of two children treated

by Ashwin were in the national news in 2010.

Teddie Stroud, aged three, was diagnosed with a rare and potentially deadly form of eye cancer and had his right eye removed and replaced with an artificial one. He is now on the road to recovery and due to incredible advances in surgical techniques, he can still move his false eye and cry real tears.

Instead of a 'red eye' on a flash photograph, Christopher Payne's family noticed a white reflex. They were unsure of the significance of this until they watched a TV medical drama called Harley Street. This led to a diagnosis of eye cancer at the age of three. After a successful eye operation and gruelling chemotherapy Christopher should now be able to live a normal life.

Ashwin says: "Because of treatments available in the UK, 98% of children with this condition survive and there has also been some great progress in the development of artificial eyes. Increased awareness of 'white eye' on flash photographs will allow us to treat these children earlier. I feel strongly that every parent should be aware of the importance of a 'white eye' and seek medical advice if it is noticed." For further information please look at www.cheet.org.uk.

F1 World Championship Success

Many congratulations to Christian Horner (WS 1987-92), Team Principal for Red Bull. Red Bull clinched the Formula 1 World Championship in Dubai and also won the constructors' title in Brazil.

OWA Chairman 2011, Roy Dixon

Educated at Warwick School from 1973 to 1981, Roy trained at Guy's Hospital Dental School in London where he was accepted as a cadet in the Royal Army Dental Corps. He qualified in 1986 and spent the next 17 years serving in the RADC, reaching the rank of Lieutenant Colonel. His last post was as Commanding Officer for 22 Field Hospital. Roy served in Germany, Northern Ireland, Bosnia, Kuwait and Iraq.

On leaving the army he was appointed dental clinical director of SMG Laser Clinics in Harley Street which specialised in the use of lasers for teeth whitening and cosmetic cleaning.

Roy was recently President of the British Society for General Dental Surgeons an organisation in which all members have to demonstrate a higher level of professional development by examination. It also takes

the lead for all matters relating to general dental practice and continued learning in dentistry.

Roy recently opened his own Dental Practice, Augusta Dental Centre, in Leamington Spa and he continues to be clinical adviser to Schottlander, a global supplier of high quality dental products.

Outside of work Roy is still a keen rugby player and can be spotted running out for Old Leamingtonian Vets or 3rd team most Saturdays. He is also a keen fly fisherman and is currently Vice President of the English Fly-Fishers Association, becoming its President in 2012.

He is married to Elaine and they have two children, Alice who attends King's High School and Guy who is at Warwick Junior School.

Your news

Please E-mail Alumni Relations (ad@warwickschool.org) with your news and pictures so we can share them with fellow OWs.

School News

Last summer Warwick School celebrated exceptional examination results and the Michaelmas 2010 term began with a record number of pupils (1,163). The rugby and hockey teams all had an excellent start to the season and there are many stories of individual pupil achievements across a range of sports and subjects. Drama and music productions continue to be outstanding and a number of bands have secured places in the National Concert Band Festival Finals in April. The school's programme of trips and exchanges continues to develop in number and reach and there are plans for new trips in 2011, including a challenging trek to Nepal.

'Guys and Dolls' performance at the Bridge House Theatre.

Hugh designs the Pbone

Among the shiny brass instruments in the Music Department there is a bright red trombone that catches the eye. This is a plastic trombone designed by Hugh Rashleigh (WS 1993-04).

Hugh worked closely with the school's Design and Technology and Music departments to develop his idea. The plastic trombone is lightweight, indestructible, cheap to produce and available in array of funky colours. For more details see www.pbone.co.uk.

Daniel Kitchin with the red trombone.

Sir Ben Kingsley Lectures

Peter Snow CBE and Baroness Shirley Williams gave informative lectures last term as part of the Sir Ben Kingsley Lecture Series.

Baroness Williams has links with the school through her father, Sir George Catlin (OW and president of the OWA in 1966).

Remembrance Service

Major James Cook (WS 1982-89) spoke movingly to a packed congregation at the Remembrance Service in Chapel in November.

James talked about his experiences in Afghanistan, the purpose and value of the conflict and the reality of pain, suffering and loss. Plt Officer Alex Wollaston (WS 1999-06) led the prayers.

Warwick School wedding marks 80-year family link

Nigel Robinson and his daughter Sarah.

An 80-year family link with Warwick School was celebrated when the grand-daughter of a former head boy got married in the school chapel.

Sarah Robinson married Robert Whitehouse on 30 October. Sarah is the grand-daughter of Harold 'HB' Robinson, who joined the school in 1930, became head boy and captain of both rugby and cricket and was later deputy head of the Junior School for 20 years.

The bride is the daughter of Nigel Robinson (WS 1955-66) and the niece of Adrian Robinson (WS 1951-61). Her godfathers are John Elson (WS 1959-69) and Chris Hart (WS 1959-66).

The couple held a reception for more than 150 guests in the school Panel Room, a wedding breakfast in the Pyne Room and an evening dance and buffet in the Guy Nelson Hall.

For details on using Warwick School for a wedding reception please contact John Cumming on 01926 776416 or events@warwickschool.org.

Development Director

We are delighted to welcome Phillip Rothwell (WS 1994-01) as Warwick School's new Development Director.

Upon leaving school Phillip went to the University of Durham where he read Theology. He has spent the last five years working in Alumni Relations and Development at the University of Warwick and the London Business School. The Head Master says, "We are very pleased Phillip has come to lead the Development and Alumni Relations team here at Warwick School. His appointment is pivotal in helping the school develop in the coming years and we look forward to some exciting new plans and projects".

Careers Events

Many thanks to OWs who have kindly supported the programme of Monday Business Lunches for boys. We are also enormously grateful to volunteers who helped at the Speed Interviewing evening in the Guy Nelson Hall.

If you are able to offer any careers support or advice, or if you would like to have a stand and exhibit at the next Careers Fair on 5 May 2011 from 18.30-20.30, please contact Caty Oates (co@warwickschool.org).

OW Golf

The OW Golf Society would love to see some new faces (and some old ones too) at our two OW golf days held each year.

Julian Marcus, Honorary Secretary of the Golf Society says, "The spring meeting

is at Tadmarton Golf Club on Tuesday 17 May and our autumn meeting is at Broadway Golf Club in mid September. We also run other golf days and occasional matches against other old boys teams. If you would like to know more, please E-mail me (arkvets@hotmail.com). Likewise, if you know of an OW who might be interested, please pass on these details to him so that the word about OW golf may spread yet further. We look forward to seeing all players of all standards."

Grafton Morrish Finals 2010

Thanks to Julian Marcus for the following report.

Back l-r: Andy Haslam (6), Tim James (5) and Matt Hicks (5).
Front l-r: James Cumberland (5), Julian Marcus (8)(capt) and Richard Tidman (2).

On a beautiful October morning, our Grafton Morrish golf team made its way to Hunstanton and Brancaster Golf Clubs.

A relaxed practice round of individual and paired golf at Brancaster was followed by the final pair selections.

The next day, OWs took on Haberdashers' Aske's at Brancaster. Our first pair of Tim James and Andy Haslam led us out with confidence, followed by Julian Marcus and newcomer James Cumberland (we think, at 18 years of age, probably the youngest player in the competition). Richard Tidman and another newcomer, Matt Hicks, brought the team home.

Our first pair started well, winning their first hole. They continued their good form and won the first game 2 and 1. Unfortunately, Julian and James were put under great pressure from the first tee and never recovered. An easy birdie, from the opposition, on the 13th, gave them victory – winning 6 and 5. Richard and Matt were sadly put to the sword in similar fashion, losing on the 13th to the same score-line.

Naturally, OWs were very disappointed. Every year we hope for an easy start but such is the strength of the competition. Clifton School became champions on the Sunday afternoon. In the plate competition – The Solihull Salver – we gained a decent score of 79 pts and finished 14th.

In summary, we are pleased to see a group of young players gradually finding their feet in this competition and eager to compete at the highest level. We look forward to this year's competition. Well done guys.

OW Rugby

Thanks to Freddie Dixon for the following report.

The third weekend in September saw Old Warwickians play their first rugby fixture versus Old Silhillians.

This derby match saw some of the finest schoolboy rugby players the two schools have produced in recent years go toe to toe in a fierce and well contested match.

Back l-r: J Astin, P Darby, J Macdonald, J-C Thompson, C Cathcart, A Bir, C Kroeger, J Collins, E Gillespie, J Collier, T Grimes, J Brown and W Matthews. Front l-r: G E Hardy, J Noble, D Johnston, W Ward-Jones, B Matthews, E Dixon, R McCrickerd, J Greig, S Miller and M Hazelton.

The opening exchanges were tentative, with Warwick having the upper hand in the backs and Solihull the forwards. It was, however, the strength and pace of the Warwick backs which set the game alight with two early tries resulting from line breaks in the midfield. It was not until the second half that the depth in the Warwick squad shone through. Many pairs of powerful fresh legs were able to make the telling difference, with late scores coming as a result of a fatigued Solihull outfit. This should not take anything away from a Warwick side that at times played some very exciting rugby; centres Tom Grimes and Josh Noble playing exceptionally well and lock Jamie Collins proved that sometimes it is the size of the dog in the fight which prevails. The final score-line of 33-7 reflected the superior attacking prowess of the Warwick side and was probably a fair reflection overall.

The game was played in fantastic spirit and was well supported by both parents and former pupils. Thanks to the catering staff for the post match meal and to Geoff Tedstone and Mark Nasey for their logistical organisation.
