EVENTS AND REUNIONS

Sixties Reunion, 3 May 2008.

1960s REUNION

The Sixties Reunion on 3 May 2008 was a very special day and congratulations and thanks go to Nigel Robinson for all the work involved in organising the event. Some 80 OWs from the 1960s, some with wives or partners, were joined by almost 20 former teachers and matrons and several current members of staff. Much of the day was spent renewing old friendships and making many new ones.

A Chapel Service, tours of the school, rifle shooting and a game of touch rugby were some of the highlights of the day. There was plenty of time to chat to old friends and watch school cricket matches. A film show of 1960s ciné, taken at the school during that decade, stirred memories, laughter and cries of "That's me!".

Organiser Nigel Robinson (WS 1955-1966) has received very positive feedback from the day. "It was an incredible day," said Nigel. Many of us hadn't seen one another for 40 years or more! One of the highlights for many of

us who were in the Junior Boarding House in the 1950s was to see matron Ros Wilson (née Pulford) and two members of her staff Ray Hyde (née Watts) and Penny Tookey (née Sorenson). We were also delighted to see Jean Maitland (née Fifield) and Margaret Keighley (née Tingle) who taught us in Forms 1 and 2. All in all it was just a wonderful experience for all of us.

The next 'Sixties' reunion is planned for five years from now, to coincide with the arrival of pension books for the bulk of those who attended."

Class Upper Five A, 1976

To celebrate the approach of many 50th birthdays, Chris Harpum (WS 1971-1976) is planning a reunion for those who were in Class Upper Five A in 1976. Chris would love to hear from all classmates, E-mail: CHarpum@southdowns.ac.uk

OWA Summer Dinner

This year's splendid dinner, held on 5 July in St Mary's Guildhall, Coventry, was attended by over 80 OWA members and guests.

The evening started with a private tour of Coventry Cathedral, to the accompaniment of music played by David Palmer (WS 1939-1944) on the cathedral organ. This was followed by a Pimm's reception in the vaults of the Guildhall.

The dinner began with a minute's silence for Private Joe Whittaker (WS 1999-2005). Joe, a Territorial Army reservist with 4th Battalion The Parachute Regiment, was killed on 24 June while serving in Afghanistan.

Geoff Thorpe acted as Master of Ceremonies for the evening, introducing the Head Master, OWA President David Stevens and guest speaker, Sir John Egan. A special presentation of a picture of The Portcullis Club was made to Peter Bailey for a lifetime of service to the OWA. OWA Chairman Nigel Robinson congratulated David Stevens and Geoff Thorpe on organising a thoroughly enjoyable evening.

LONDON OW RECEPTION AT THE HOUSE OF COMMONS

We are delighted to announce that John Maples MP will act as host at an Old Warwickians drinks and canapés reception in the House of Commons on Thursday 6 November 2008, from 19.00 to 21.30.

Dining Room A in the House of Commons will provide the perfect setting for an evening of chatting and networking. Harry Greenway (WS 1946-1953) and MP for Ealing North 1979-1997 says, "I am delighted that the reunion at the House of Commons is going ahead. I look forward to it and know that the same goes for John Maples MP. I am sure we shall enjoy an excellent and special occasion".

As numbers are limited (maximum 80), and admittance to the House of Commons is strictly by invitation only, all guests attending must be in possession of an official 'invitation'. As places are limited, bookings will be accepted on a first come, first served basis. To book your free place, simply complete and return the booking form on the back page of this newsletter (page 8) by Friday 3 October 2008. An invitation card, which must be presented to the House of Commons security on the night, will be sent out with confirmation of your booking.

OLD WARWICKIAN SPORT

Cricket, rugby, tennis, golf and squash are some of many sporting activities which bring OWs together, often in matches against the school. Whether you're interested in playing or spectating, these are great opportunities for fun, friendship, drama... and refreshment! In this issue we report on recent OW golf and cricket matches and we hope to cover other sporting events in future editions, including the OW rugby and squash matches which took place in September.

OW GOLF

Julian Marcus (WS 1971-1979), newly appointed secretary of the OW golf society, is keen to attract more OW golfers to join the club. Whether you've got a good handicap or just enjoy a friendly round or two, Julian would love to hear from you. E-mail: arkvets@hotmail.com. Julian reports here on OW golf news.

OWs vs School, 4 July 2008

On a beautiful July evening, OWs played the second annual golf match against a specially chosen school six.

OW Julian Marcus and Tim Austin with the newly commissioned Jack Marshall Trophy.

With both teams eager to get their names on the new silver claret jug, 18 holes of four-ball better ball match play had to be decided for three pairs. And with all matches played under new full handicap allowances, a strong OW team found that, thankfully, they were not giving away too many shots – a testament to the strength of the school team.

OWs Richard Tidman and James Yearsley were in conquering

form, putting the OWs into a 1-0 lead. An in form Geoff Tedstone and OW captain finally achieved parity on the 17th green. Matthew Leefe and Andy Haslam, with an eagle 3 from Andy at the last, ensured the trophy went to a thankful OW six.

Well done to the school and to all the players. The OWs are looking forward to a similarly close encounter next year!

Classic Cars

OW Nick Button (WS 1970-1976) is keen to hear from any OWs who have a classic car and would be interested in helping set up an OW Classic Car Club. Enthusiasm and

ideas are very welcome! It is hoped that the 2009 Coventry Festival of Motoring will provide a perfect opportunity for an inaugural OW classic car run. If you are interested, please contact Nick by E-mail: nick@buttonlegal.co.uk

Grafton Morrish

The Grafton Morrish Trophy is the major trophy of the Public Schools Old Boys Golf Association (PSOBGA), played at the Hunstanton and Brancaster Golf Clubs. OWs last won the Grafton Morrish tournament in 1985.

Our first round match against Tonbridge School began with Tim James (3) and Peter Hill (5), leading out, followed by Matt Leefe (6) and Steve Tubb (8), with the 'anchor' men Julian Marcus (7) and Tim Priest (11) bringing the team home some four hours later. Our first two matches played right to the 18th green, with our first pair narrowly losing their game. Matt and Steve came back from 2 down with 3 to play to halve their match. Our anchor men gave the Tonbridge captain and his partner (both off scratch) an equally uncomfortable time before losing with dignity on the 16th green. We were very disappointed but yet delighted, to have taken Tonbridge so far.

Team (from left to right): Matt Leefe (6), Julian Marcus (7)(capt), Tim James (3), Peter Hill (5), Steve Tubb (8) and Tim Priest (11).

In the plate competition – The Solihull Salver – we battled hard and finished just 12 pts off the qualifying total of 79.

The OW team has again been successful in qualifying for the finals of this year's Grafton Morrish, which take place from 26-28 September 2008.

OW Golf September 2008

The Autumn Meeting is at Broadway Golf Club on Friday 19 September 2008.

It will follow the new format with Edinburgh Foursomes in the morning and individual stable ford in the afternoon to allow members who only wish to play 18 holes to participate in the afternoon. The charge is £69 for 36 holes and £61 for 18 holes, both including lunch and dinner, green fees and prizes. Booking deadline: 14 September 2008. Anyone interested should contact **Julian Marcus, tel 01926 651643, E-mail: arkvets@hotmail.com**

OW CRICKET

The OW Cricket Club provides some great opportunities for OWs of all ages. This year saw a number of new OWs making their debuts at the Cricket World Trophy and OW weekend fixtures. AN Crockert and Richard Hield report here on recent matches.

Cricket World Trophy, 8 June 2008

In this away match, versus Old Bedfordians, OWs lost the toss and were asked to bat. The Rigby brothers opened with a partnership of 44. Tom went on, for a fine 76, holding the innings together. Chhibber was in good form (15) and Tarrant (20), Rowland (17) and Russell (11) all contributed in a final total of 209-8 off 50 overs.

This might have been enough if we had had 11 men and another opening bowler, but Rowe had broken his hand the day before.

Three fine catches were taken by Montanaro, Russell and Tarrant. Leonard bowled well and wickets were shared by Russell, Rowland and R Rigby. OBs reached the target in 43 overs.

Thanks to scorer Bill Faulkes and OBs for their kind hospitality.

Team: AN Crockert, T Rigby, R Rigby, K Chhibber (Capt), Tarrant, C Montanaro, D Russell, Rowland, C Leonard, A Welch (wkt).

OWA vs Stratford, 4 July 2008

We had arranged an OW16 versus a Stratford side which would include extra OWs.

OW Stratford Combined XI won the toss and batted first. Wood (1-33) and Leonard (1-25) opened the bowling and restricted the openers to 30 off the first 10 overs. Wilson (1-32), Kroeger (2-42), T Rigby (0-40) and Mather (1-32) also bowled well.

Catches were taken by Leonard (Malkin for 26), Chhibber (Deverill-Smith for 20), Williams (Harcourt for 42) and Kroeger caught and bowled R Rigby for 11. Wood scored a solid 58 and OW Stratford XI finished on 216-7.

In reply, OWA started cautiously after losing Whiteside (bowled by Davidtz). Chhibber (50) and Crockert (37) put on 83 for the second wicket (22 overs). Leonard chipped in with 49 (stumped Harcourt, bowled Russell). OWA were all out for 192 in 39.1 overs. OW Stratford Combined XI won by 24 runs.

Umpires: David Troughton and John Collins. Scorer: Clive Boast.

Teams: OWA: K Chhibber (Capt), AN Crockert, T Rigby, A Welch (Wkt), T Whiteside, C Kroeger, C Leonard, D Wood, J Williams, A Mather, R Wilson. OW Stratford Combined: P Malkin (Capt), R West, T Grundy, J Davidtz, R Rigby, D Russell, F Dixon, J Harcourt (Wkt), S Wood, C Deverell-Smith, C Montanaro.

Lord's Taverners

The Lord's Taverners charity cricket match at Warwick School

on 13 July was a great success. A Lord's Taverners team of cricketers and local celebrities took on a school/OW side. Organiser Neil Smith says: "The day was a great success and we raised over £8,000. A huge thank you to all who supported us. The sponsors are very keen to do it again, so if you missed it this year, be sure to come next!"

OWA 1st XI vs School, 5 July 2008

We played the more recent format of 50/50 with 10 overs max per bowler.

OWs won the toss and elected to bat. The Rigbys put on 101 in a fine opening partnership. Collins batted well for 66. Other contributors were Wood (13) and Todd (9). Evans and Reay put in late appearances, both not outs. DNBs: Hazell, Crockert and Welch. OWs finished on 225-6 after 50 overs.

School got off to a cracking start and reached the target for the loss of 8 wickets with 10 overs to spare.

Thanks to our umpire, John Collins and the scorers, Clive Boast, Dick Philpott and Bill Faulkes.

Team: J Collins (Capt), AN Crockert, T Rigby, R Rigby, A Welch (Wkt), S Wood, N Reay, W Evans, C Hazell, T Whiteside, C Todd.

Cups were awarded as follows:
Batting Cup: T Rigby,
Bowling Cup: W Evans,
Fielding Cup: A Welch.

Twenty20 Cricket, 5 July 2008

The first round of games in the 2nd and 3rd team old boys Twenty20 festival saw the school 2nd XI take on and beat Tom Goldwater's XI.

In the other match the Hield XI were matched against Melly's select XI. Special mention should go to Wilson who not only put down a catch for what would have been a hat-trick for Hicks, but then went on to concede quite astounding figures of 1 over, no wickets for 31 runs! A captain's innings from Melly (69) and big hitting from Murphy saw Hield's team set a total of 181. Hield and Banbury shared a 100 plus partnership to seal victory.

The 3rd/4th place match saw Melly's XI taking third place and the Goldwater XI taking fourth place.

The final, between the school 2nd XI and the Hield XI, was a much a tighter and more serious affair, with victory secured by the Hield XI.

Thanks to everyone for making it and particularly to Mssrs Stone and Tedstone for organising it all!

SCHOOL NEWS

There have once again been some outstanding achievements at school. From science and engineering to music and drama and from swimming and water polo to judo and cricket, we have much to celebrate.

Examination results for 2008 have just been released and once again the school can celebrate tremendous success. At A level 83% of grades were at A or B. AS results were also the best the school has ever recorded. At GCSE the school obtained record results with 100% of boys gaining five or more A*-C grades and 75% of grades being recorded at A*A. The Head Master was delighted to see the hard work of pupils and staff pay such rich dividends. In sport, the school had both individual and team success at the IAPS swimming finals and Arran Lawson won two golds at the Independent Schools Judo Tournament. Arran is aiming to represent Great Britain at London 2012.

The Cheshire Science Centre

Ian Pearson MP, Dr Philip Cheshire and Mrs Pam Cheshire, unveiling the plaque.

Ian Pearson, Minister of State for Science and Innovation, officially opened the Cheshire Science Centre on 9 June 2008.

The building represents for Warwick School the culmination of an ambitious and innovative project to create premier state-of-the-art research, teaching and learning science facilities.

In addition to 14 new laboratories, there is a science lecture theatre, two ICT laboratories and a fully-equipped science research laboratory with a full-time science researcher in residence. In this respect Warwick School is unique.

The building was named the Cheshire Science Centre in recognition of Dr Philip Cheshire's dream and many achievements at the school. Philip was Head Master from 1988 to 2002. One of his many aspirations was to see Warwick School become the foremost science school in the country.

Sincere thanks go to all Old Warwickians who have generously helped provide one of the best science teaching facilities in the country.

OW MICHAEL BILLINGTON

OW Michael Billington (WS 1949-1958), theatre critic of The Guardian for almost forty years, gave a fascinating insight into the world of post war theatre as part of the school's Sir Ben Kingsley Lecture Series.
