## Old Warwickians Anniversary Lunch

**Saturday 5 July 2014**

OWs are warmly invited back to school for a special OW Chapel Service and Lunch on Saturday 5 July to celebrate the school's 1,100th anniversary. Many former staff will also attend.

*"A once in a lifetime gathering of Old Warwickians."*

Registration takes place from 10.00 to 10.30 in the Guy Nelson Hall, with tea and coffee. Name badges will be provided to help everyone recognise their contemporaries. After a welcome from Head Master Gus Lock and President The Hon Sir David Foscett there will be plenty of opportunity to mingle and find old friends.

There will be two back-to-back OW Chapel Services before lunch (due to space restrictions in Chapel). The Bishop of Coventry, The Right Reverend Dr. Christopher Cocksworth has kindly agreed to give an address at both services.

After Chapel a three course lunch will be served in an Old Warwickians' marquee on the edge of the 1st XI playing field. There will be a formal seating plan (be sure to let us know your seating preferences!). The lunch should finish at approximately 14.30, when OWs will have the opportunity to enjoy more festivities at the School's Commemoration Festival (see below).

**Dress:** Smart casual.

### Tickets

Tickets, £30, include tea/coffee in the Guy Nelson Hall and a three course lunch with wine and coffee.

450 tickets were available for the Anniversary Lunch on a first come, first served basis. At the time of going to press there are less than 100 tickets remaining.

To book a ticket simply complete and return the form on the back page of this newsletter or book online at [www.oldwarwickians.org](http://www.oldwarwickians.org).

Wives/partners are welcome to attend the OW Anniversary Lunch. With regret and due to limited space we are unable to accommodate children at the lunch. If you would like to bring your children, other members of the family or friends, they would be very welcome to join you after the lunch for the Commemoration Festival.

### Booking deadline

5 June 2014. Please book early to avoid disappointment.

## Commemoration Festival

The 2014 Commemoration Festival will take place in the school grounds during the afternoon and early evening on Saturday 5 July.

The Festival is a relaxed afternoon for the whole school community, with a main stage featuring our finest musicians, pop-up performances around the School, fairground rides, market stalls, community displays, classic cars, guided tours, lots of food and drink and many more things to see and do. Motionhouse Dance Theatre company will be performing 'Captive' and the School's production of 'Joseph' will be the grand finale with special guests performing alongside the boys. There will be a large picnic area in front of the stage and activities for the whole family to enjoy. It promises to be an unforgettable and unmissable day in this celebratory year.

Entry to the Festival is free.

### Calling all those who did A Level Art

Robin Flintoff, David Snatt and Gill Odling would be delighted to see OWs who were taught A Level Art by either themselves or by the late Grahame Ward. Drop in to the Art Department between 15.00 and 16.00 on 5 July to chat with Robin, David and Gill, catch up with some of your fellow OW 'artists' and view some of the fantastic artwork by today's Warwick boys.

**We hope to see many OWs back at Warwick School on 5 July. Please join us for this very special day. Whether you book a place at the Anniversary Lunch or simply turn up for all or part of the Commemoration Festival, you will be very welcome.**

## A message from the Head Master, Mr Gus Lock

*"Warwick School is celebrating its 1,100th anniversary in 2014 with a full calendar of special events for the whole school community. It has been a pleasure to meet many OWs already and I am looking forward to meeting many more at the OWA President's Dinner, the Commemoration Festival and many other events planned this year. We are enormously grateful for your ongoing support and I am delighted that so many of you return to visit the School."*

## 2014 Bursary Appeal

In February we launched our appeal to raise support in our anniversary year for the School's Bursary Fund. Our goal is to raise £1 million to support the next generation of bright students who would otherwise be unable to afford the School fees.

To date, many OWs have supported the Bursary Fund to help others benefit from the same wonderful experiences that they themselves enjoyed at Warwick School. The total raised currently stands at just over £600,000.

We are grateful for the tremendous support of the Old Warwickian Trust, now supporting boys at the School on full bursaries. Two further OWs are sponsoring individual boys through the School and a number of others have made significant donations.

Donations are welcome in any amount, and every donation is valued, whatever its size.

The following table shows OW contributions to the Bursary Fund according to their decades at Warwick School.

Participation (%)

### Help us to reach £1 million in our anniversary year!

Please visit [www.oldwarwickians.org/support](http://www.oldwarwickians.org/support) for regular updates on the Appeal and to set up a direct debit or make a one-off donation. Cheques made payable to Warwick School can also be sent to the Development and Alumni Office at Warwick School. Please contact Phillip Rothwell, Development Director, for further information: [pjr@warwickschool.org](mailto:pjr@warwickschool.org), 01926 776402.

## Two teams at Twickenham

For the first time in Warwick School's history, two teams reached the national rugby finals of the NatWest Schools Cup (formerly the Daily Mail Cup).

Warwick retained the U15 Cup with a splendid 17-0 triumph over Queen Elizabeth Grammar School, running in three tries, two of them in the closing minutes of the game.

The U15 national champions.

The U18 team were disappointed with their performance in the final, but showed great perseverance and character against a powerful Dulwich College team.

The Finals were played in glorious sunshine at Twickenham on 29 March. Huge thanks to the hundreds of OW supporters who travelled to Twickenham to cheer on both teams and also to those who voted in the Show your Colours competition, which the U18 team won.

The U18 finalists.

# Gala Concert, 14 March 2014

A superb evening of music was enjoyed at a packed out Gala Concert to celebrate the School's 1,100th Anniversary. The Concert, in the Butterworth Hall at Warwick Arts Centre, featured many of the School's outstanding instrumental and choral groups.

One of the highlights of the evening was *So Gently Darkness Falls*, a new commission to celebrate the School's anniversary by composer Julian Philips (WS 1979-87). Julian wrote the original work for choir and orchestra, taking the poem *August 1914* by Poet Laureate John Masefield (WS 1888-91) as his inspiration.

The first section of Masefield's poem, evoking a pastoral scene at dusk on the eve of the Great War, is treated as a choral Nocturne with Masefield's distilled war imagery finding equivalence in the music's buried allusions to bugle calls and distant thunder. The longer second section of Masefield's poem is treated as a song without words in which the chorus falls silent – an orchestral elegy, haunted by the sound of a solo comet.

## From 'August 1914' by John Masefield

*How still this quiet cornfield is to-night!  
By an intenser glow the evening falls,  
Bringing, not darkness, but a deeper light;  
Among the stooks a partridge covey calls.*

*The windows glitter on the distant hill;  
Beyond the hedge the sheep-bells in the fold  
Stumble on sudden music and are still;  
The forlorn pinewoods droop above the wold.*

*An endless quiet valley reaches out  
Past the blue hills into the evening sky;  
Over the stubble, cawing, goes a rout  
Of rooks from harvest, flagging as they fly.*

*So beautiful it is, I never saw  
So great a beauty on these English fields,  
Touched by the twilight's coming into awe,  
Ripe to the soul and rich with summer's yields.*

## Julian Philips

Born in Wales in 1969, Julian attended Warwick School from 1979-87 and studied music at Emmanuel College, Cambridge. His music has been performed at major festivals and venues including the Royal Opera House Covent Garden, BBC Proms, Tanglewood, Welsh National Opera, Glyndebourne and the Wigmore Hall. He has enjoyed a particular affinity with music for the voice and has received critical acclaim for his settings of EE Cummings, Dylan Thomas, Emily Dickinson and Arthur Rimbaud. In 2004 Julian became Joint Head of Composition at the Guildhall School of Music & Drama and was made Honorary Fellow in 2007.

Boys were delighted to meet Julian (right), at the rehearsals.

*So Gently Darkness Falls* is dedicated to the memory of all Old Warwickians and staff who lost their lives in the First World War.

## Anniversary Armed Forces Dinner

25 January 2014

A wonderful evening was enjoyed by some fifty OWs and guests at the Old Warwickians Anniversary Armed Forces Dinner, hosted by Maj Gen Mike Huntley CB (WS 1962-69) at the Lord Leycester Hospital.

The Lord Leycester Hospital, a mediaeval gem in the heart of Warwick, is home to retired servicemen and their wives. Many OWs are currently serving in the Armed Forces. They were delighted to be joined by Head Master Mr Gus Lock and a number of current and former members of CCF staff, including Graham Cooksey, Pat Bannerman and Humphrey Collis.

The evening began with a candlelit Chapel Service in the Hospital's small (and unheated!) Chapel. In his reflections, Lt Col Jaish Mahan (WS 1985-92) gave an enlightening overview of army life today. Lt Col Gerald Lesinski, Master of the Lord Leycester, welcomed guests during drinks in the mediaeval Guildhall, once the home of Warwick School.

The Great Hall provided a perfect setting for a splendid dinner where good food, wine and company were enjoyed by all.

## Happy 100th Birthday

OW Ernest Frobisher celebrated his 100th birthday on 31 October. Ernest became a day boy at Warwick in Guy House, Form II, in September 1924 and left in July 1931.

From 1931 to 1948, his role as a Special Constable and employment by the Prudential Insurance Company was interrupted by service in the Royal Air Force. Ernest became a Sgt Aircraft Fitter, based for some of the time in Valley on Anglesey and Blackpool.

In 1949 Ernest married Joyce Clench and from 1950 to 1951 he served on the Executive Council of Warwickshire NHS, before moving to Caernarfon as Deputy Clerk and Financial Officer on the Executive Council of Caernarvonshire NHS.

Ernest has been hugely involved serving the local community, taking on many voluntary roles with interests varying from sailing to bowls and canines to the Conservatives. He retired in 1974.

Ernest and Joyce had a son, Gerald and following Joyce's death in 1993, Ernest moved to Meliden, near Prestatyn to live with Gerry and his family. He has five grandchildren and two great grandchildren.

## G-EZUB

G-EZUB is an all aluminium Zenair 601 which Bob Stephens (WS 1976-84) started building from plans in 1994, following an 18 month attachment to US Army Corps of Engineers in Texas (where he learnt to fly). Over the next 17 years Bob slowly started to fabricate the parts and build the major assemblies including the tail, wings and fuselage. G-EZUB finally had her maiden flight after eight workshops and five relocations while in the Army. The registration comes from the user group Bob set up when he first started building – the 'Group of European Zenair Users and Builders'.
