

The Old Warwickian

MICHAELMAS 2011

1980s Reunion Success

Two hundred 1980s Old Warwickians and guests enjoyed a very special day back at school on Saturday 2 July 2011.

OWs travelled from as far afield as the USA and Australia to attend. For many, it was their first return to school since leaving and the first time they had seen friends and teachers for some twenty to thirty years.

The reunion was relaxed and informal, with OWs renewing friendships and reminiscing about school days. The Head Master extended a warm welcome to old boys, staff and Mr John Strover (Head Master 1977-88). Martin Green and Brian Emmerson chaired the day with tales of mischief, misdemeanour and fun.

The Chapel Service was one of the most nostalgic parts of the reunion. OWs took their seats in the old wooden pews, listened to former WS Chaplain Revd David Houghton and joined together to sing hymns they had sung regularly some 25 years previously.

After drinks and lunch, OWs enjoyed tours of the school with prefects, seeing familiar classrooms and remarking on how much has changed with the development of

many buildings and superb facilities. The loss of the outdoor swimming pool was briefly mourned!

The school 1st XI vs. OWs cricket match provided a tranquil backdrop for those who chatted under The Limes. In contrast, one of the far pitches on the site witnessed a game of 1980s touch rugby which showcased the full range of 1980s OW rugby talent, with some excellent tries, dubious tackles and no fatalities.

For many, the reunion continued well into the evening and rest of the weekend. Guy Stanton kindly organised a 'Pie and a Pint' at the Leamington Real Tennis Club and local pubs provided further opportunities for refreshment and reminiscing.

Many thanks to all who came and helped make this a memorable day. Special thanks to Martin, Brian and the Head Master for their fantastic support.

Images and comments can be seen on pages 7 to 10. Further images can be viewed on www.oldwarwickians.org.

New OW QC

Congratulations to Adrian Keeling (WS 1975-85), newly appointed Queen's Counsel.

Adrian says "To be appointed Queen's Counsel is a great honour. I was delighted to discover it was one I shared with four other old boys. Mr Justice Sir David Foskett QC I knew before as I had appeared before him in a murder case in his Court. I learnt, to my amazement, that we shared not only Warwick School, but that both of us had acted the part of Ratty in *Toad of Toad Hall* – albeit in different productions!

L-r: Adrian Keeling QC, John Cavanagh QC, Anthony Hacking QC, Adrian Hopkins QC and The Hon. Sir David Foskett QC at the Royal Courts of Justice upon Adrian's appointment in April.

I am very grateful to David for the kind idea of gathering the other three Old Warwickian Silks for a photo, to them for giving their valuable time and to the School for organising it. I very much look forward to making their closer acquaintance at School reunions."

Oliver wins Global Counsel Award

Oliver Dale (WS 1983-88) was announced as the Global Counsel Employment Lawyer of the Year at a gala dinner and awards ceremony in New York in June, hosted by the International Law Office and the Association of Corporate Counsel.

Oliver, who is Head of Employment Law for Europe, Middle East and Asia with The Royal Bank of Scotland Group, was recognised as the European Counsel Employment Lawyer of the year at a similar ceremony held at The Dorchester in March.

Denys chairs flagship LEP

Denys Shortt (WS 1975-82), Chairman and CEO of DCS Europe and chair of the newly formed Coventry and Warwickshire Local Enterprise Partnership, was delighted to host the first national LEP summit in March. The conference was attended by the Prime Minister, Deputy Prime Minister and four other government ministers.

Chris Wickson's London based business, RateMyPlacement, is one of nine regional winners in Barclays' 'Take One Small Step' competition.

NEWS FROM OVERSEAS

Many OWs are living and working overseas

Rob Hiron.

Rob Hiron (WS 1961-67) and his American wife Marta have spent the past ten years in Belize where they have built and run an eco-lodge on the banks of the Rio Grande in Belize's southern rainforest. They were tourism pioneers in this remote corner of the former British Honduras and, in 2009, The Lodge at Big Falls won the award for Best Small Hotel in Belize.
www.thelodgeatbigfalls.com.

Alec Davis.

Upon graduating in the UK, **Alec Davis (WS 1964-69)** returned to his home country, Kenya, to join the family business. Alec has run Davis and Shirtliff since his father's death in 1982. The company is now the leading player in the regional water industry, with operations in six countries apart from Kenya.

Mark Clemens (WS 1974-85) emigrated to Canada in 2000. He is currently a Professor and Medical Oncologist at Ottawa Hospital Cancer Centre and has published and lectured widely around the world on the management of breast cancer.

Grant Elliott.

Architect **Grant Elliott (WS 1974-83)** took time off work in 2007 and 2008 to work as an architect for Turquoise Mountain Foundation on a restoration project

in Kabul. The Turquoise Mountain Foundation www.turquoisemountain.org was founded at the request of HRH The Prince of Wales and the President of Afghanistan, to keep the country's famous craft skills alive and restore Kabul's former beauty as well as a sense of pride in Afghanistan's culture. Grant returned in April 2011 for the official opening of a new college.

Norman Hyde.

Fast Hyde on go-slow ride for Charity

Former drag racer Norman Hyde (WS 1956-63) made one of the slowest rides of his career in March in aid of Help for Heroes. Norman, who made a career out of racing and producing performance parts for Triumph motorcycles, joined members of the Triumph Trident Owners Club who entered the John O'Groats to Lands End run on a 50cc moped. Having broken numerous world records during his racing career, Norman's biggest challenge was to cope with the slow pace of the elderly moped.

Norman says "Riding the bike, which had 1.2bhp when new in 1974, was quite scary at times. With no indicators or rear mirrors, approaching traffic islands on dual carriageways at 20mph, with cars passing at 70+, knowing that a right turn was needed, was daunting."

The ride was in aid of Help for Heroes, a charity Norman feels passionate about, following the death of OW Joe Whittaker, who was a friend of his son Alexander.

If you would like to make a donation, please visit www.justgiving.com/norman-hyde/.

Magic Boy is back

Ben Hanlin (WS 1999-04) returned to school to speak to the Lower Sixth in the final weeks of the summer term. As well as performing some of his magic tricks, Ben spoke to the boys about studying and career options. If you have been following Ben's adventures you'll know he has been running a series on YouTube called "Magic Boy finds..." You can now catch up on any episodes that you may have missed and hear about upcoming adventures on www.magicboy.tv.

John Jefferies and Ben Hanlin.

Pedal Power

Philip Field.

On 11 September Philip Field (WS 1995-01) will aim to cycle 2,100kms around Ireland when he competes as a solo entrant in the Race Around Ireland – Europe's toughest cycle challenge. As a World Cup Ultra Marathon series event, Phil will be entering completely uncharted territory with riders on average cycling for 18-20 hours a day to complete the course in the tight 132 hour time limit. Finishing is by no way certain (only six solo entrants completed the 2010 race) and competitors will seek to gain qualification into The Race Across America – the World's

toughest and most prestigious endurance cycle race. Phil will be raising money for Help for Heroes. Please support him via www.teamexiles.com.

Congratulations to Martin Green who, with wife Judy, completed a 727 mile charity bike ride from Land's End to Lowestoft, raising money for Myton Hospice and the Alzheimer's Society. Martin would like to pass on huge thanks to everyone who supported them before, during and after the trip.

Judy and Martin Green.

Recent Events

A magical evening

Seventy OWs and guests enjoyed a magical President's Dinner at Lensbury, hosted by OWA President Clive Mather (WS 1959-66).

Clive chose Lensbury, the former Shell Club, having retired from Shell in 2007 after a 38-year career which spanned all its major businesses. Most recently he was President and CEO of Shell Canada and before that, Chairman of Shell in the UK.

Lensbury rests on the banks of the River Thames at Teddington Lock. Many OWs took advantage of the club's superb sports and leisure facilities to turn the occasion into a relaxing short break.

The President's Dinner was a magnificent evening, topped off with a breathtaking display of magic by two international magicians, Nick Einhorn and Nigel Mead.

Thanks to Clive and his wife Ann for a wholly memorable evening.

The Mather Family. L-r John, Jennifer, Adrian, Ann and Clive.

Upper Sixth Prefects (now OWs!). L-r: Richard Lelliott, Matt Harry, Ed Skudra, Jasper Wong, Devan Sinha, Jacob Coker and Thomas Powell.

Guests enjoy the cabaret.

OW Coffee Mornings

The OW Coffee Mornings take place once a term in the Pyne Room at school. They are proving a very relaxed and informal opportunity for OWs to get together.

The next coffee morning in the Pyne Room is scheduled for Saturday 5 November 2011, 10.30am to 12 noon. No need to book, just turn up for coffee, cake and a chat.

OWA Chairman Roy Dixon, Alan and June Sturley.

Upper Sixth Graduation – goodbye and welcome!

The Upper Sixth Graduation Evening is an opportunity for the school to officially say goodbye to its boys and for the Old Warwickian Association to welcome its newest members.

At this year's graduation, on 30 June, Owen James (WS 1993-03) spoke about the value of his OW friendships and the fantastic professional networking opportunities offered by the OWA. Owen extended a very warm welcome to our newest Old Warwickians and strongly encouraged them to stay in touch with the school and each other over the years to come.

The Head Master and Owen James.

1980s Reunion Saturday 2 July 2011

A selection of images and reflections on the day.

"A marvellous day, full of nostalgic recollection of events, incidents and personalities of the 1980s at Warwick School. Many (occasionally apocryphal?) tales of the classroom and beyond added much to the enjoyment and laughter of the day. I am not sure whether it was reassuring or worrying to find that most of those attending were remarkably unchanged from the 1980s edition, despite some thinning of the hair and widening of the waist!"

It was such a pleasure to meet everyone again, both to reflect on the past, but also to share in news of their successes over the years since leaving school. Long may it continue!"

Martin Green (WS Staff 1970-2010).

Always captivating.

"A fantastic day."
**Anthony Norton
(WS 1979-88).**

"Great to see so many old, familiar faces and to see Martin Green and Brian Emmerson on such good form."

**Michael Slade
(WS 1978-87).**

Gordon Banner (before the rugby!) and Dr Bob Fair.

*Simon Haythornthwaite, Stephen Hayden,
Simon Hughes, Bob Stephens, Rupert Saville, Grant Elliott and Chris Groom.*

Jim Quinn, Patrick Wegerdt, Christopher French and Dave Spence.

*Dan Rickett, Darryl Gregory, Mark Jones,
Dino Bossi and Kim Kerton.*

Andrew Hughes and Mark Jones.

"The 80s reunion was a very enjoyable occasion for me. The opportunity to meet up with many of my former pupils made for a most memorable day. Discovering how they have all progressed in their various occupations and to hear them reminisce about their extra-curricular activities at Warwick, including ski trips, rugby tours, staff pantomimes and CCF camps and Adventurous Training. It was quite a tonic to witness their zest and appreciation of what an all-round education Warwick offers."

**Brian Emmerson
(WS Staff 1968-2006).**

"The school tours were really fascinating – even if a bit confusing when familiar buildings have now gone! Top marks to the boys who showed us round; we deviated from the official route, we loitered when we were probably meant to move on and generally tried to misbehave like we were back at school. They took it in their stride and instantly picked up on the spirit of the occasion."

Mike Dove (WS 1977-88).

"Great to come back to school and catch up with people, many of whom I hadn't seen for 25 years!"

Stephen Lane (WS 1977-84)

*Steve Tubb, John Caldwell and
Stuart Podmore.*

"Another excellent day. Particularly impressed at how you managed to sort the weather for the second year running..."

**Andrew Shufflebotham
(WS 1974-81).**

"What an enjoyable reunion. I had an absolutely wonderful day. It was so good to see so many old friends and familiar faces, and particularly enjoyable to meet some of my old teachers, many of whom have not changed at all in the past 25 years! The events you arranged were perfectly judged and made for a truly memorable occasion. I was very impressed by how much the school has invested in new facilities since my time there, although I don't think the current boys realise how lucky they are not to have to swim in the old outdoor pool!"

Mike Hobson (WS 1979-86).

Jonathan Hill, Toby Long-Leather, James Mulraine and Ashley Heath.

"Many thanks for a wonderful day. It was great to see so many people whom I haven't seen since the day I left. The day started with memories from Pauline Fawcett in my first year aged eight and continued all day. Very well organised, lovely to be back in chapel and great to have a run around the rugby pitch playing touch."

Kim Kerton (WS 1978-89).

Stephen Lane, Mr Geoff Lane and Mr John Strover.

Bob Andrews, Spence Miles, Phil Calverley, Jez Shacklock, Al Porter and Percy Harris.

Christine O'Grady, Lynne Long, Penny Birt, Judith Fogg and Pauline Fawcett.

"When do we get to do it all again?"

Richard Petley (WS 1975-86).

"We can't wait for 2014!"

James Mulraine (WS 1981-89).

Christopher Bee and Andy Dawkes.

"It was great to see fifty hardy OWs venture to the Real Tennis Club post event, where pasties and pints were enjoyed... although Simon Blake eating seven was a bit excessive! Then off to Warwick to meet up with more OWs in various establishments. Truly a great night - it exceeded all expectations. When is the next one?"

Guy Stanton (WS 1977-88).

Mike Hobson, Richard Petley, Alan Dee and David Porter.

Messrs Robert Hudson and Trevor Pritchard.

"My son, Tony, who had travelled from Australia specifically to be there on Saturday, joins me in saying what a very happy and interesting occasion it was. Tony enjoyed it hugely - worth travelling all those miles!"

Judith Fogg (WS Staff 1977-93).

"Lunch was excellent. What happened to the infamous Warwick School catering portion control?"

Malcolm Fry (WS Staff 1979-89).

Clark Sargent and Tom Winniffrith.

"Those of us who are now parents understand well that parties for small boys generally work better if they are given the chance to run around on the grass screaming for at least some of the time. So it seems is also true for 40-something OWs.

Undeterred by the heat or the prospect of tearing muscles we had forgotten we had, the intrepid headed to the far corner of the fields, one of the few bits of the school we recognised and played an intense hour of touch rugby.

Within minutes the years had fallen away and a generation of rugby rivalries and hierarchies were re-established. On one side Guy Stanton feinted, dummied and played to the edge (and beyond) of the rules. Rich Skan spent the entire game offside, except when showing that his pace hadn't lost its edge. Tim Walton and Patrick Wegerdt tried punching holes up the middle, while Nick Short lurked on the wing, Giles Conway confused opponents and team-mates alike with his subtle angles. Sid Cooper who, implausible as it sounds, knew what he was doing, tried to inject some tactics. The Lane brothers defended with grim determination. I got the chance to boss everyone around again, with about as much authority as 20 years ago. Some laid bodies on the line – Gordon Banner limping off after one clash. As faces got redder and legs more tired, the game came down to one last swing of the ball along the line to Short, who danced around his marker for an equaliser, to end the match 4-4.

Some thought they detected a tear in the eye of a watching Martin Green."

Angus Lapsley (WS 1981-88).

Echoes of the '80s.

Let battle begin!

Smile please!

Ken Freeborn and Brian Emmerson eye up the rugby talent.

David Porter and Daniel Ruff.

"I suspect there were quite a few sore heads on Sunday. I left the Bowling Green about midnight and it was still going pretty strong then. Some things never change!"

Paul Haynes (WS 1974-83).

John Rowe, Andy Rowe and Phillip Hughes.

Julian Ball and Richard Skan.

"Best of all was standing in our L4 form room (N3 I think it was) with guys who I started with in that room 32 years ago - and memories did come flooding back."

Clark Sargent
(WS 1979-86).

Nicholas and Paul Thompson.

Marathon Men

Congratulations to all OWs who completed the London Marathon in April.

Alex Reynolds (WS 1984-94) married Tori at Hidcote Manor Gardens last summer. On 4 June Alex, with a number of fellow OWs, competed in the 2011 Blenheim Sprint Triathlon.

Nicholas Thompson (WS 1999-06) ran the Shakespeare Marathon with his father Paul in

May, to raise money for the New Futures Orphanage in Cambodia. To find out more about the orphanage and New Futures, please visit www.newfuturesorganisation.com. All of the money raised will go directly to the orphanage. Please donate via www.justgiving.com/thethompsonstwins.

David Phillips (WS 1955-61) completed his 392nd marathon at the London Marathon in 4 hours, 52 minutes. His run raised £5,000 for the Daily Telegraph Brain and Spine Foundation.

L-r: David Phillips, Peter Hamblyn (neurosurgeon and founder of the Brain and Spine Foundation) and former boxer Michael Watson.

Chan's Challenge

Congratulations to Matthew Chan (WS 1999-07) whose team from Oxford's Magdalen College beat the University of York in the Final of the University Challenge competition.

Another welcome return

Richard 'Jim' Hawkins (WS 1973-80) was delighted to come back to school in the spring and says *"I loved coming back to School. It was amazing to see how the place has changed – the incredible new buildings and facilities – and heartwarming to see how it hasn't – the inclusive, supportive but ambitious atmosphere, the blend of heritage and forward-thinking."*

Jim Hawkins with partner Helen Porter (KHS 1973-80).

Tom Lewis.

Real tennis success

Tom Lewis (WS 1997-08) has been selected for the real

tennis British Junior Development Squad, along with only five others players in the country. Tom also entered the Under 21s and Under 24s British Open tournaments in January this year. Tom reached the singles quarter finals of the Under 21s and the semi-finals of the Under 24s doubles.

High Sheriff finds new horse

Nigel Brown OBE (WS 1957-64) has taken possession of a new bike created by OW Norman Hyde. The hand-over took place three days before Nigel laid down his sword as High Sheriff on 8 April.

Degree results

Congratulations to all our OWs who graduated this summer. A full list of degrees awarded will be printed in The Portcullis magazine.

James Mower (WS 2002-07) has been awarded a scholarship to begin a Masters in Applied Translation at the University of East Anglia.

Richard Morris (WS 1998-09) has just achieved a First in Part 1 at Cambridge and has been awarded a senior scholarship by Trinity. Richard is specialising in early modern European history.

John Woodward (WS 1945-53) and his wife Rosemary celebrated their Golden Wedding Anniversary in August 2010. They celebrated with their three children and eight grandchildren. One of John's grandchildren starts at Warwick Junior School in September.

John and Rosemary Woodward.

Did you explore the Vernet tunnels?

Were you one of the 25 boys who went on a trip to Vernet in 1950? Bryan Diamond (WS 1946-54) recently returned to the town and found some closed former iron mine tunnels which he remembers exploring with other boys. If you can remember anything about the visit, please get in touch with Bryan, Email: bryan@bjdiamond.plus.com.

School News

Warwick School continues to thrive and the school's all-round reputation continues to grow. 2010-11 was a magnificent year.

An amazing variety of activities and pursuits took place over the summer months. Academically, Warwick School continues to deliver outstanding results and, although we all know league tables have their limitations, being ninth in The Times Independent Boys' Schools list is worthy of mention!

The A Level results this year were again first class. 85% were achieved at A*-B grades. 25% of entries received were at the highest possible A* grade and 17 boys gained three or more A*s. It is worth emphasising that these positive results were obtained mostly in the traditional "hard subjects", not the "soft option" commented in the media recently. GCSE results brought considerable joy to the 127 boys who sat them, with 100% of boys gaining 5B grades or more at GCSE. Overall, 94% gained A*-B grades and 26 boys gained 100% A*A grades.

Edward Halse, Head Master, says *"Once again hard working boys and our talented teaching staff deserve these splendid results. The boys achieved these excellent results alongside widespread successes in a myriad of other extracurricular activities. I am delighted to congratulate them all on their fine performances."*

Our biologists have had their best ever results in the national Biology Olympiad. For the sixth consecutive year, a Warwick School boy has been awarded the highly prestigious scholarship for research at the Weizmann Institute in Israel. Our debaters won national competitions, our technologists won a prize at the House of Commons and, after winning the National Robocup Championships, boys secured a place in the Robocup World Finals.

Musicians too, have achieved national acclaim by winning gold and two platinum medals at the National Concert Band Finals in Glasgow. This came at the end of an exceptionally busy and hugely rewarding year for our talented musicians who have travelled far and wide delivering stunning performances, including a wonderful summer concert which can be viewed on YouTube.

Drama productions continued to showcase a depth and breadth of artistic talent among our boys.

In sport, swimmers continue to break their own 'PBs' and school records. Our junior swimmers finished second at the ESSA National Finals. In hockey, the school's U16s progressed to the National Indoor Hockey Finals, while the Clay Pigeon Shooting team also finished strongly in the British Nationals. The Cricket Club enjoyed one of its best seasons for many years and had a great tour to Sri Lanka this summer.

Leavers' Day.

Colonel Moody presented Richard Lelliott (left) and Cameron Mackenzie-Lawrie with their Army Scholarships to Sandhurst. Warwick is the only school in the country to be awarded two army scholarships in the same year.

A wonderful, colourful and professional production of 'Joseph and his Amazing Technicolor Dreamcoat' continued the fine tradition of Junior School plays.

Junior Sports Afternoon.

Some one hundred boys, parents and staff travelled to the National Concert Band Festival in Glasgow. Jazz Lab and Foundation Wind Orchestra picked up Gold Awards and the Wind Band and Little Big Band achieved the highest accolade of Platinum. Outstanding school performances – congratulations to all!

What can you do for your school?

In 2014, Warwick School will be celebrating the 1100th anniversary of its foundation in 914AD. Few institutions in the world can lay claim to such a long history. Warwick School today is a thriving and vibrant community of boys, teachers, parents, and Old Warwickians. The school contributes much to the local area. Our boys go on to achieve success in their varied careers, making a positive impact on the world around them.

The success of the school has never been down to just one person, or group of people. The Head Master, governors and teachers provide an outstanding educational experience and this has always been enhanced by the support of Old Warwickian volunteers and benefactors.

Please support Warwick School. There are many ways you can give something back, now and in the coming years.

How you can help

Support bursaries – set up a regular donation to our bursary fund to ensure all talented and able boys can experience a Warwick School education, regardless of family financial constraints.

Leave a legacy – pledge your long-term support by leaving a gift in your Will, to help the school continue to thrive and provide outstanding educational opportunities in the decades to come.

Volunteer – work with our Careers department to provide advice to boys, or volunteer with our Alumni Relations team to publicise or organise events.

Detailed information on all of the above will follow. If you wish to discuss these, or other ways to become more involved with the school during this exciting time please write, Email or call.

OW Golf and Clay Pigeon Shooting

With thanks to Julian Marcus and Paul Fox for the following reports.

OWs vs. School

1 July 2011, Stratford-on-Avon Golf Club

On yet another stunning Friday evening OWs took on the might of the school's emerging and highly talented young golfers. Teams of six squared up to play 4-ball better-ball match play, played off $\frac{3}{4}$ handicap difference, with the school so talented they were giving us shots at times!

L-r: Andy Dunnell, James Cumberland, Kim Kerton, Julian Marcus, Phil James and Geoff Tedstone.

OWs fielded three new players as part of team rotation. The match is always a great occasion to catch up on old times and it was especially good to see the return of Kim Kerton.

Geoff Tedstone (8) and Julian Marcus (7) led off for OWs. The school pair took early advantage in a keenly fought game. OWs struggled but managed to come back from 3 down to lose 1 down on the last putt of the match.

The second pair of James Cumberland (5) and Phil James (5) found the school second pair more of a challenge. They brought the close match to a conclusion on the 18th green with a half.

Our final pair of Kim Kerton (9) and Andy Dunnell (16) managed to get home halving the match on the 18th - a game that again went to the wire.

Final score: OWs 1, School 2.

The Jack Marshall trophy was presented by Julian Marcus to school captain Sam Gill.

Grafton Morrish Qualifier, Olton Golf Club, 14 May 2011

The Grafton Morrish team, hoping to qualify at Olton GC for the fifth consecutive year, fielded three team members playing Olton for the first time. New pairings were put to the test by the toughest of conditions. OWs were drawn against Solihull School.

L-r: James Cumberland (5), Peter Gordon (1), Julian Marcus (7)(capt), Tim James (5), Matt Leefe (6), and Matt Hicks (6).

The weather affected everyone's game and 3-putting seemed to be the order of the day. With grit and determination the team managed a very creditable 72 pts, were placed fifth and achieved qualification once more.

We are delighted to have Old Warwickians represented at the Finals from 7 to 9 October 2011. Congratulations to all the players!

OW Golf Day: Broadway Golf Club, Friday 16 September 2011, 08.00

Please do your very best to support the club. Phone a friend and bring them along. Everyone is always very welcome and it would be lovely to see some new faces, some 'old' but younger faces and, of course, the old stalwarts.

Spring Golf Day, Tadmarton Heath 17 May 2011

There was a good turn-out for the Spring OW Golf Day. 18 eager golfers pitched up at Tadmarton Heath Golf Club for early morning coffee and a bacon bap. With friendships rekindled we strode off to the first tee in Edinburgh foursomes, to play for the Gracey Tankards.

We were delighted to welcome James Cumberland for the first time and to see Chris Kaye after his enforced absence of two years.

Gracey Tankard results

Winners, with 40 pts, Richard Simmons and Malcolm Smalley.
Runners-up, with 39 pts, Andy Dunnell and Geoff Thorpe.

Langleigh Trophy Results

Winner: James Cumberland
Second: Andy Dunnell
Third: David Payne
Fourth: Julian Marcus.

Special thanks

The OW Golf Society would like to give special thanks to retiring Captain, Duncan Rotheram. Our ex-secretary, Alan Alderman, takes over the captaincy. We look forward to congratulating him personally at Broadway later this year.

L-r: M Lines, J Abbott, P Gedge, D Phillips, E Langdale, C Kaye, R Simmons, M Smalley, A Dunnell, J Cumberland, J Ayres, P Baird, M Eykyn, G Thorpe, J Marcus, D Payne, D Rotheram and T Harry.

Clay Pigeon Shooting

OWs entered two teams into the old pupils section of the British Schools and Young Shots Clay Pigeon Championships in early May.

This was a 50 bird sporting competition and both teams had success. The first team, Stefan Haig McMahon (WS 1969-79), Paul Fox (WS 1965-74) and David Stone (WS 2002-09) won the competition. The second team, Peter Hodgson (WS 1988-92), Tom Twigger (WS 1992-03) and Nick Edwards (WS 1999-05) were placed fourth.

Paul is one of two coaches who coach the Warwick School team. If you would like further information on OW clay pigeon shooting, please contact Paul, Email paul@foxagriculture.freemove.co.uk.

OW Cricket

Many thanks to A N Crockert for the following reports. Full versions can be found on www.oldwarwickians.org.

OWs vs. School 1st XI Saturday 2 July

School, electing to bat first in a 45 over game, raced to 79 off 11 overs. The pace slowed to lunch, 132-2 off 25 overs, thanks to some good bowling from Steve Dellow, Joe Melly and Tom Lewis and astute captaincy from Kamal Chhibber. Rigby and Ed Melly took a wicket each but OWs never regained control and school finished on 253-4.

In reply, with 9 off the first over, anything was possible. Unfortunately both openers were out by the third over! Kamal (with a broken finger) (31) resisted and Ed Melly (22) entertained with a six to the longest part of the ground and onto the marquee, but the rest never made a start and the innings closed on 93 off 26 overs. School won by 160 runs.

OWA Chairman, Roy Dixon, presented the Peter Treadaway Trophy to the School Captain.

Thanks to Jono Ball (Wkt) and Andrew Shufflebotham who made a welcome reappearance for OWs.

Back L-r: C Boast (Scorer), A Shufflebotham, J Ball, E Melly, J Melly, S Dellow, M P Banham, T Lewis, A Mather. Front L-r: R Rigby, K Chhibber and A N Crockert.

OWs vs. Warwickshire Imps Sunday 26 June, Friendly

The Imps skipper elected to bat on a scorching afternoon at school.

The OWs' opening attack of Andy Harris and Mark Banham set the tone, the first wicket falling at 23 runs. There followed a steady second wicket partnership of 67, taking the Imps score to a promising 85-1 (P Williams 50, Sam Wood (OW) 35). Imps slowed up in the middle order. Chris Kroeger bowled effectively, taking 2 wickets in only 5 overs. There was a late flourish from Golding (33) only briefly threatening OWs control who launched an assault on Steve Dellow (4-0-26-0). Harris was brought back in the attack and Golding soon fell to a fine running catch by Danny Dalton. Danny also took the wicket of Paul Rowe (OW), a great catch by Oli Lunel. Imps declared their innings closed at 185-7 in 46 overs.

In reply, OWs' opening stand of 160 between Charlie Mulraine (102) and Tony Crockert (50) was the highlight of the day. Charlie played some superbly controlled lofted extra cover drives and a couple of straight sixes. Jamie Collins and Danny Dalton finished the innings with more than 4 overs in hand for a convincing 8 wicket victory for Old Warwickians.

Team: C Boast (Scorer), Don Williams (Umpire), A N Crockert (Capt), C Mulraine, J Collins, D Dalton, A Harris, MP Banham, A Streeter (Wkt), O Lunel, T Lewis, S Dellow and C Kroeger.

The Cricketer Trophy

With the demise of the Cricket World Trophy and The Brewers Cup, a new independent competition has been set up for three years – The Cricketer Trophy. Warwick was one of eight schools invited to submit a team.

Round 1: OWs vs. Old Georgians, Weybridge, Sun 17 July 2011

Back L-r: A Harris, F Dixon, C Kroeger, S Wood, MP Banham.
Front L-r: C Mulraine, T Austin, AN Crockert, G Roots (Capt), J Williams (Wkt) and D Wood.

OGs won the toss and invited OWs to bat first. The Captains agreed 40 overs a side, maximum 8 overs per bowler, the result to be decided, if necessary, on 'net run rate'.

OW openers started cautiously against some accurate

bowling, with an opening stand of 38 off 15 overs (Crockert 9, Mulraine 34). Roots joined Wood and they took the score to a steady 86-2 after 28 overs, when storm interrupted play.

After tea, Roots and Wood, with some powerful stroke play, took our total to 217-2 at the close. Wood 91 not out, Roots 61 not out (150 partnership: 120 deliveries, 72 mins, 8 4s, 6 6s.). This was a superb partnership and very entertaining to watch!

In reply, OGs started briskly with 62 off 17 overs. Chris Kroeger and Andy Harris slowed the pace and Mark Banham took a brilliant catch for the first wicket. The other opener was also dismissed, bowled by Kroeger for 57. OGs finished on 171-8 (13 extras).

A fine win for OWs in their first game of the new competition.

Round 2: OWs vs. Old Denstonians, Warwick School, Sun 24 July 2011

Another scorching day! Denstone elected to bat and played in correct tempo against some very tight bowling and good fielding, finishing on 279-4. In reply, OWs never got going and lost too many wickets early on. 108 all out.

Man of the match: A Siddique.

Back L-r: A Harris, C Kroeger, S Wood, JP Melly, T Austin, MP Banham, RJ Grover (Scorer).
Front L-r: F Dixon, DG Roots (Capt), AN Crockert, D Wood and J Williams (Wkt).
