## OWA President 2012, Gavin Neath CBE

1964 Gavin in LIVB.

**Gavin was born in Tanzania in April 1953 and was at Warwick School from 1961 to 1972. He has fond memories of his time there.**

After leaving school he went to Manchester University where he gained a BA in American Studies. This was

quickly followed by an MSc in Management Sciences at Warwick Business School.

Gavin joined Unilever in 1977, working in the UK, France, Belgium and South Africa. He was Chairman of Unilever's UK business and is now Senior Vice President Sustainability, responsible for all of Unilever's environmental and social programmes around the world.

Gavin was awarded the CBE in 2007, for services to the UK food industry. He has been President of the Food and Drink Federation, is a Fellow of the Institute of Grocery Distribution and a member of the M&S Advisory Board on "becoming the world's most sustainable retailer". # 1990s Reunion

Sat 30 June 2012

All Old Warwickians who left Warwick School between 1990 and 1999, and the staff who taught them, are warmly invited to this landmark reunion which takes place at school on Saturday 30 June 2012. The reunion will be a very special day for renewing friendships, seeing former teachers, reminiscing about your school days in the 1990s and seeing the superb facilities that Warwick School offers boys today.

Charlie Mulraine (WS 1981-92) has joined forces with former teachers Martin Green and Brian Emmerson to promote the 1990s reunion. Charlie is delighted to be involved in the reunion and says "The '90s reunion is our first real opportunity to have most of our old school mates, as well as Masters, under one roof. Many of my year have already confirmed, so I recommend guys book right now. I suspect the Bowling Green may need some extra bar staff that evening..."

Charlie Mulraine, Martin Green and Brian Emmerson.

## Booking Tickets

Book now to avoid disappointment! Numbers will be capped at 300 due to limited Chapel and lunch space. The cost for the day is £15 per person. To book your reunion ticket, simply complete and return the booking form on page 12 of this newsletter or book online via [www.oldwarwickians.org](http://www.oldwarwickians.org). Booking deadline: Friday 15 June. Bookings will be accepted on a first come, first served basis.

## Plan for the day

- 10.15** Welcome from the Head Master and former masters Martin Green and Brian Emmerson.

Staff from the 1990s still at school November 2011.  
Not pictured: P Snell, M Yates, C McNee, I Dee and J Jefferies.

## Evening Arrangements

From previous experience, we expect many OWs will want to get together informally in the evening in local pubs or restaurants. If you would like to arrange something in advance of the event, a list of those attending will be updated regularly on [www.oldwarwickians.org](http://www.oldwarwickians.org). An online password protected page of contact E-mails will also be available for those who are happy to circulate their E-mail address to other attendees.

"The 1970s reunion in 2010 was an almost surreal experience, the closest that one could get to stepping back in time. There was so much good feeling between peers, it was overwhelming at times, and I reflect on snippets from the day frequently. And to think I nearly backed out due to cold feet!"

Martyn Haines (WS 1969-76).

## Images from the 1990s

Sadly and surprisingly the school archives have very few images from the 1990s. Derek Shield has kept a great stock of CCF photos, but we are short of others. Do you have any sports, music, drama or school trip photos you could lend us for a 1990s display at the reunion?

Please send any formal or informal images to Anne Douglas, Alumni Relations, Warwick School, Warwick CV34 6PP.

# School News

## School Photo

Warwick School boys gathered in glorious sunshine last summer for a whole school photo. Over 1,100 boys from the Junior School through to the sixth form were joined by staff and the Head Master to be captured on camera.

**Oyez!**

Boys from school greeted the Town Crier at the annual ceremony in the Chapel Quad.

## National swimming success

The school's U14 team qualified for the ESSA Swimming Championships in November. This is the second consecutive year Warwick School has qualified and only the third time ever. At the Championships the boys gave outstanding performances, taking a further two seconds off their previous best times and managing to secure medals in the last strokes of their races. This is considered to be the strongest Warwick School U14 team ever. They broke school records by taking nine seconds off the Medley (mixed stroke) Relay record and six seconds off the Freestyle Relay record. An outstanding performance and the first medals for the school at the National Championships.

## OW Engineering Award

Tom Allitt, one of the recipients of the 2010-11 OW Engineering Award, is pictured with his unique carbon fibre handlebars. The handlebars were engineered for Tom's 'A' level project. The one-off award was made possible thanks to the generosity of an Old Warwickian who wanted to encourage a passion for engineering.

## Tennis champs

The school's U14 tennis team made school history at Nottingham Tennis Centre, by being the first Warwick School team to qualify for the National Finals.

The 2011 competition started with 2,700 competitors. Warwick School won through to the last four, competing in the UK finals in December and finishing third.

## Remembrance Sunday

Warwick School marked Remembrance Sunday, both in school and in the town. In the morning, the CCF marched through Warwick and laid a wreath at the war memorial. During the Chapel Service, Owen James (WS 1993-03) spoke about his recent experiences as a soldier in Afghanistan.

## Sri Lanka Cricket Tour

Thirteen boys from last year's M5 to U6 travelled to Sri Lanka to compete in the Inaugural Murali Cup. The tournament was organised in conjunction with charity The Foundation of Goodness, to continue support for rural communities after the 2004 tsunami. The boys played five matches against two other English schools, two Sri Lankan schools and the Kuala Lumpur Cricket Academy. They were also able to work with the charity to clean and paint a classroom at the Foundation's school.

## OWA AGM

**The OWA AGM took place on 3 December 2011. Reports were received from the Chairman, Treasurer, Alumni Officer and OW Properties and Old Warwickian Trust.**

At the OWA AGM 2010 a resolution was approved to set up a Trust or Charity for the purpose of making grants to Warwick School for bursaries or capital projects. Subsequently, a private limited company, Old Warwickian Trust, was incorporated under the companies act in January 2011. In June 2011 Old Warwickian Trust was entered in the Register of Charities. In September 2011 an EGM of Old Warwickian Properties Ltd approved the transfer of its assets to Old Warwickian Trust and authorised the Directors to wind up the company. As a result, the property assets, namely 3 Church Street and the Sports Ground, were transferred to the Trust at the end of September. Final accounts of OWP and the winding up process are well advanced and, at the conclusion, will result in a final cash gift to the Trust.

The inaugural Trustees of Old Warwickian Trust – R Thornton, G Thorpe, C Mason, J Meredith, N Robinson, the Head Master, Chairman OWA (R Dixon) and Governor (D Stevens) held their first meeting in October 2011. The Trustees will give an annual report to the OWA at the AGM.

## Just the Business

**Huge thanks to OWs Denys Shortt, Kyle Raja, Tim Rice, Jake Wombwell-Povey, Martin Hopkins and Rory McDonagh who each spoke to boys at a Business Lunch in school in the Michaelmas term.**

These lunches are fantastic opportunities for boys considering various career options. If any other OWs would like to give a talk to the boys at a Business Lunch, or offer career advice or mentoring, please contact Caty Oates, Head of Careers (co@warwickschool.org).

*1954 Joe in LINC.*

## Spotlight on... Joe Elliott

**Joe Elliott (WS 1950-59) returned to Warwick School for a visit in November and offered an insight into his career and life since leaving school.**

Joe loved his time at Warwick and is very proud to be an Old Warwickian. He admits that scholastically, he achieved very little at school. However, the respect and discipline he witnessed and experienced at school has helped him throughout his life. They have helped shape his character and achievements and have also instilled in him a great desire to work for the community.

Upon leaving school Joe went into the family garage and cycle business, Elliotts of Coventry. With Joe's direction it became a car accessory business and became a household name in the city and surrounds. He sold the business in 2004 and has since spent much of his time working for the community. In the 1980s he started the group A1 Motor Stores and was its founder Chairman.

Today, Joe is a Board Member and Chairman of Coventry Transport Museum and a Director of Jaguar Heritage. He works with a number of local and national charities including the RNIB, Myton Hospice and the NSPCC's Boole House in Coventry. He was honoured to recently receive the Citizen of Coventry and the Ambassador of Coventry Awards.

Joe has always been a Coventry City fan (even while at Warwick!). In the early 1980s he became a Vice President of Coventry City FC and later became Director and Chairman. Over the years he has worked hard to support and strengthen the club. In January 2011 he was appointed Life President.

Joe, married to Grace, holds Warwick School in great affection and feels privileged to be part of such a great heritage.

## A Rolls Royce Return

Ted Rice (WS 1954 - 59) returned from the States in October to visit the school with senior colleagues from Rolls Royce, who were visiting a newly-opened facility in Warwick. They took a tour of the school and had lunch with some Sixth Formers interested in a career in the engineering/energy sector.

## Love Da Popcorn

They are also preparing an assault on Butterkist. Follow their progress on [www.facebook.com/lovedapopcorn](http://www.facebook.com/lovedapopcorn).

## Diamond Celebration for Dorsett

## Dramatic end to the Race Around Ireland

Philip Field's challenge to Race Around Ireland (reported in the Michaelmas 2011 newsletter) was battered by Hurricane Katia. Philip had devoted an enormous amount of time to get in shape for the event and had worked endlessly through the summer nights to obtain sponsors and promote Help for Heroes. Read about Philip's amazing journey and dramatic end on his team blog: <http://teamexiles.com/blog/2011/09/19/race-around-ireland/>. He writes "I'm never one to lie down and let someone beat me and know for a fact that my experiences on and towards the Race Around Ireland have developed me not only as a cyclist but also personally".

## Grafton Morrish Finals 2011

L-r: Matt Hicks, Tim James, Julian Marcus, Phil James and Charlie Higgins. Not pictured Steve Tubb.

With three of the original 1985 winning GM side, we set off for Norfolk and a practice round at Hunstanton GC in preparation for this year's Grafton Morrish Finals. Sadly, Peter Gordon (1), one of our lowest handicap golfers, had to pull out. Steve Tubb commendably came to our rescue at the eleventh hour and arrived at the team hotel at 11pm. With the final pairs re-jigged and selected, our team expectations were high for the main scratch foursome matchplay competition.

Golf conditions were extremely tough and demanding. Our first round match was against King's Bruton. Charlie Higgins (1) and Matt Hicks (5) lead out, followed by Tim James (5) and Phil James (5). Julian Marcus (7) and Steve Tubb (7) held the 'anchor' role.

Our first and third matches, unfortunately, only managed to play to the 13th, losing 7 and 6 and 7 and 5 respectively. Tim and Phil found renewed 1985 vigour and saw off their opposition, winning 7 and 5.

So onto the plate competition - The Solihull Salver - and a scratch foursome stableford at Brancaster GC. With Steve Tubb unable to stay for the plate, Phil Cooper stepped into the breach. The wind, apparently a remnant of a Caribbean hurricane, made golf extremely difficult again. Charlie and Matt managed 21 pts, Tim and Phil 22 pts and Phil and Julian 17 pts.

Our six GM representatives are more eager than ever to return next year, if only to put some demons to rest! Huge thanks to Steve and Phil, who came to our rescue and, without whom, we would have been going home earlier.

**See you at the OW Golf Spring Meeting:

## Autumn Meeting

### Broadway Golf Club, 16 Sept 2011

14 OWs signed up for our autumn golf day at Broadway GC. Although we missed some of our regulars, we were delighted to welcome a few old friends not seen at an OW golf day before - namely David Tandy, Phil Cooper (an OW master) and Iain Simmons.

### OW Tankards

With 14 golfers contesting the OW Tankards in the morning, we had a one 2-ball followed by three 4-balls. A high standard of foursomes golf provided for tight competition. The eventual winners of two lovely tankards and two golf balls were Clive Mather and Phil Cooper on 43 pts. Congratulations to both on playing some wonderful golf. Runners-up, on 41 pts, were James Cumberland and Malcolm Lines.

### OW Salver

After a superb lunch we continued the day with the usual afternoon format of an individual stableford, played off 7/8 handicap. The greens were tricky and some found the going a little tough.

Winner, on 38 pts: James Cumberland (possibly our youngest ever winner).

Second, on 37 pts: Chris (no surprise) Kaye.

Third, on 37 pts (lost on count back): Phil Cooper.

## Golfer of the Year 2011

Winner, on 74 pts: James Cumberland.

Second, on 67 pts: Peter Baird.

Third, on 66 pts: Geoff Thorpe.

The evening meal was tremendous and, with Alan Alderman performing his duties, everyone went home happy, if not loaded with silverware!

The Autumn Golf Meeting.

## Warwick School Golf Day

# OW Rugby

Thanks to Freddie Dixon for the following report.

2001 leavers James Travis, James Horton and Michael Hallam dust off their boots.

## Saturday 24 September saw the second Old Boys' match between OWs and Old Silhillians.

After a comfortable victory in the inaugural match in 2010, OWs were perhaps slightly overconfident in repeating this feat twelve months later.

Old Silhillians enjoyed most of the play in the first half and this reflected in the score-line. The second half was more evenly contested and, despite a strong comeback, OWs ended up on the wrong side of a 29-22 result.

The continued success of the event, the opportunity for many boys to get back on the school fields again and the support which showed up on the day were fantastic.

Thanks to the School for supporting the event and to players and spectators for making the effort to attend. We shall look to overturn the result this year.
